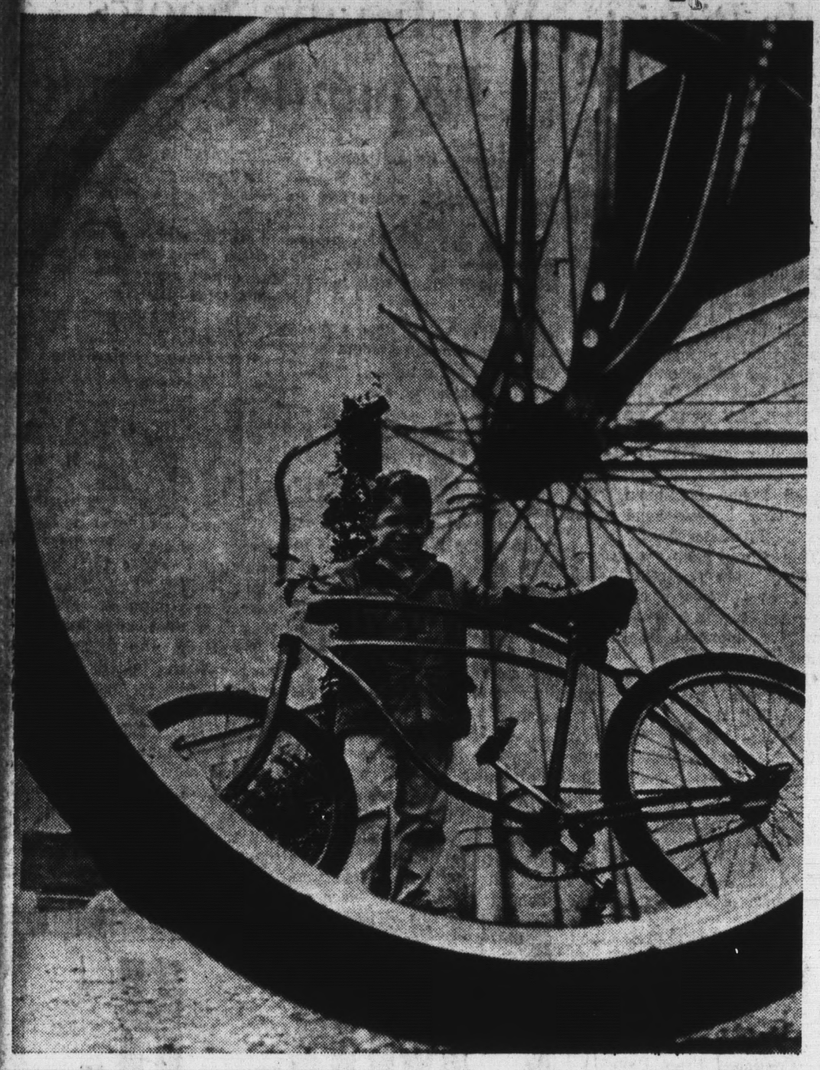
Santa Was Early



CHRISTMAS came early last week for at least one Daly City youngster. Four-year-old Howard Bauer proudly holds up a bicycle he obtained at an auction of unclaimed articles, conducted by police at the rear of Daly City hall. The youngster lives at 73 Oakmont Drive. The auctions are held periodically by the police department.

CHRISTMAS TREE BAN CHARGED

Laguna Yule Policies Assailed

The embattled Laguna Salada School District, its board already threatened by a recall move over transportation policies, was assailed from a new direction last week.

Alfred R. Lynch, a fourth grade teacher at Vallemar School, charged that censorship of traditional Christmas observances has gone so far in the district that even aluminum Christmas trees have been prohibited in classrooms.

Later, it was learned that a secretary at Sharp Park School had a small display of a Madonna and Child in a decorated basket removed last Wednesday after it had been placed there previously by a recreation department-sponsored class.

District Supt. Frederick R. Lucas said that while he had no knowledge of Lynch's charges, the action of the school secretary was taken without authorization of the school principal who was absent at the time.

Lucas said the secretary subsequently was reprimanded.

Lynch charged that pressures he has been subjected to since 1957 when he asked children of his class to pray for a dying brother of a classmate came to a head this year when he was flatly refused permission for his pupils to perform two plays—one of which was taken from a book in the school library.

Lucas, however, noted that while the district does not allow the teaching of a religion, it allows teaching about religions and has a course that teaches about Christmas observances in all lands and about the Jewish observance of Chanukah.

While many of the teachers in the district are in favor of his stand, Lynch, who asserted he is prepared to lay his teaching career on the line to preserve the traditional observance of the holiday season, charged that a large segment of teachers in the district are "mili-

RESCUE TRY FAILS

SSF Soldier, Girl Friend Die in Blast

The first date of a young soldier who had just returned home from Korea on leave and a 17-year-old San Bruno girl ended in tragedy in the pre-dawn hours in South San Francisco Saturday when both were burned to death while sitting in a car in a garage behind the home of the Bay. Firemen battled 15 minutes to bring the fire, that erupted so suddnely the garage was enveloped in a ball of flame, under control.

They found the charred bodies of the young couple, identified as Michael James Rayburn, 18, 530 Baden Avenue, South San Francisco, where the fire occured, and Dorothea Pauline Hartleb, a South San Francisco High School student of 2991 Medina Drive, San Bruno, the daughter of Mr. and Mrs. Werner Hartleb.

A neighbor, Mrs. Mary Abila, 529 Third Avenue, told investigating officers that she heard a car motor running in the detached garage at the rear of Rayburn's home for about three hours before the fire erupted with such explosive fury that it shattered small windows in the garage door.

Firemen said the young couple were sitting in the front seat of the auto and may have had the motor running to keep the heater warm.

They apparently were overcome by carbon monoxide fumes. Firemen said that heat was so intense that when the garage windows blew out and admitted air, the garage exploded.

Heat from the blast blistered paint on a garage door across an alley 20 feet away.

A neighbor, living in a nearby apartment, Ken Dotson of 536 Baden Avenue, ran to the ga-

DALY CITY COUNCIL

1st Civic Center Plans Accepted

By RON BATES

The proposed Daly City Civic Center began to take shape Monday night as the City Council accepted preliminary plans for a three-level building that will cost an estimated $1,464,209.

In a related action, the council authorized purchase of 15 lots for the center at a total price of $165,000.

Architects Donald Haines and Zaven Tatarian outlined their proposals for the structure, which is expected to be completed in June of 1966.

Haines said the building, which will look somewhat like three interlocking diamonds, will front on Sullivan Avenue and 90th Street.

The design of the building will take advantage of the topography of the site and eliminate the need for elevators, he said.

The public will enter onto a mall on the second level where the council chambers will be located and where the city clerk, public works, finance, and police departments will have offices.

A unique feature of the council chambers will permit the room to be opened onto the mall to accommodate overflow audiences at meetings in the chamber.

A small flight of stairs will give access to the administrative offices upstairs and police facilities on the lower level.

Included in the plans for the police department are an exercise room and an indoor pistol range.

Haines said the building has been designed so that it may be expanded horizontally or vertically.

Because of the location of the building — in somewhat of a pocket — he has suggested a plexiglass dome over the mall.

Haines said he hopes to have a color drawing of the building ready for public view by January 11.

The 15 lots purchased by the city — at $11,000 each — are located on the south sile of 91st Street and are part of a plan by the city to close off and abandon the street, thereby gaining an additional 36,000 square feet.

City Attorney Paul Hupf explained that the city has an option to buy or trade a block of eight of the 15 lots.

The owner of the lots, Alta-Monte Incorporated, of San Francisco, is willing to trade the land for eight lots the city had purchased earlier for parking on 90th Street.

If the city does not want to trade, it may purchase the property at $11,000 per lot, Hupf said.

In other business, Councilman Bernard Lycett criticized the county board of supervisors for not giving the city sufficient briefing on a new special vehicle tax to finance a study of rapid transit in the county.

He asked for a report on the matter.

Lycett also asked for a study on recent county assessments of property in Daly City. He said he wanted to find out what reassessments have been made and how they were made.

The councilman said if there was cause for complaint, he would like the city council to go down in force to speak to the board when it sits as a board of equalization.

City manager Ed Frank said he would arrange a meeting with County Assessor Ralph Woodman to discuss the situation.

CONCERN VOICED

Westmoor Seeks Expanded Space

By DON MILLER

Westmoor High School, the Jefferson Union High School District's biggest school, is bulging at the seams.

That, in essence, was the gist of a report given trustees of the district Monday night.

They scanned copies of a letter written by District Supt. Edward D. Morgan to architect Mario Ciampi, requesting suggestions on how some of the school's heavily used areas might be enlarged.

Morgan said that Principal Glenn South had become "deeply concerned" about a growing student enrollment and the amount of space in the school.

Westmoor's student enrollment is now a shade below 2,100 students. Many of the school's general purpose areas—such as the cafeteria, art rooms and library—were designed to accommodate a total enrollment of much less.

In his letter, Morgan pointed out that the school cafeteria was designed to seat 400 students.

Yet, he noted, about 1,000 students use the cafeteria during each of two lunch hours every day. Many of the students do not sit while grabbing a bite to eat.

Morgan said a suggestion has been made that the school's courtyard could be covered and converted into an eating area.

The library has stacks (storage space) for 9,600 volumes, Morgan continued, yet the number of volumes now being circulated is about 12,000.

He said the library's seating

Colma Asks Health Aide

A resolution was adopted last week by the Colma City Council to allow the San Mateo County health officer to come into the area and serve the city without cost.

City Clerk Blanch Lagomarsino said the officer would observe and enforce quarantines, health and safety codes and public health ordinances and statutes for the city.

Among other business, the council set a called public hearing for January 3 to reclassify property at Olivet Memorial Cemetery from G-2 (cemeteries, agriculture and residential) to C-1 (commercial).

State Denies Bid to Tear Down School

By MARILYN BRANNAN

An unusual proposal to tear down Woodrow Wilson School in Daly City and replace it with a new building has been rejected by the State Allocations Board.

Approval of the proposal would have set a precedent in the state, according to officials of the Jefferson Elementary School District.

The district had determined that building a new school would have cost less than remodeling the present structure to bring it up to current educational standards.

Dr. Richard Foster, superintendent of schools, told the district's board of trustees Monday night that the Allocations Board believed it would be illegal to condemn a structurally sound building even though the district considered it educationally unsound.

Dr. Foster and Dr. David F. Shapiro, assistant superintend-

Pacifica PD To Move to Old Bunker

Pacifica is about to become the only Peninsula city with its police headquarters underground.

City councilmen last week approved plans to remodel an underground World War II artillery bunker at the Nike missile site at a cost of approximately $47,000.

The city has budgeted $27,000 for the project, while the federal government will be asked for $20,000 in matching funds.

In addition to police headquarters, jail facilities for between four and six prisoners, an emergency civilian defense headquarters, a communications center and storage facili-

New Freeway Opening Day Will Be Set

The date for ceremonies that will officially open Pacifica's new coastal freeway should be set by the end of this week, Dino Casinelli, state highway engineer, has announced.

Casinelli said that because of the unpredictable character of weather at this time of the year, he and City Manager Karl Baldwin want to wait to set the date until just before the actual ceremony to lessen the risk of ribbon-cutting in the rain.

Casinelli said that various state and local dignitaries are expected to participate in what would be a red-letter day for coastside residents.

He said construction is virtually complete. Only a strtech between Pacific Avenue at Eureka Square Shopping Center and Avalon was unfinished early this week.

Two lanes northbound from Mori's Point Road to the Clarendon Bridge were to open yesterday.

Alvin Hatch Rumored for Appointment

Is Gov. Edmund Brown in such a quandary over whom to appoint to the San Mateo County Board of Supervisors that he has decided to keep Alvin S. Hatch in the position?

Rumors to this effect have been circulating in the county during the past week and Hatch said he is acceptable to the idea.

A vacancy on the board was created when former Daly City Mayor Joseph J. Verducci, who had been elected in June to succeed Hatch, died November 6 of a heart attack. He was to have taken office January 4.

The rumors have it that the governor has been subjected to so much pressure on behalf of two of the leading candidates, Jean Fassler of Pacifica and Frank Pacelli of Daly City, that he has been reluctant to decide between them.

Also interested for the position are Daly City-Colma Chamber Manager Peter Markovich, Half Moon Bay Vice Mayor Eldred Holgerson, and Jefferson Elementary School Board Trustee Thomas Noonan.

Mrs. Fassler, former mayor of Pacifica, has been a campaign worker for Brown and has been extremely active in Democratic party affairs. Pacelli, current vice mayor and former mayor of Daly City, has also been a party worker.

When asked about the rumor, the 88-year-old Hatch said:

"I've heard that there has been some talk like that. But I haven't heard from the governor and I certainly haven't applied for the job or promoted myself in any way."

If the governor should ask him to continue on the board, Hatch said, he would agree to serve two more years—until the next general election.

A spokesman in Governor Brown's office, asked about the

D. C. CHAMBER PROPOSAL

A Committee for 'Issues'

A special committee to study and recommend stands on major issues confronting the city and county has been proposed by the newly installed president of the Daly City-Colma Chamber of Commerce, David Friedenberg.

He outlined his plans for a new "Issues Committee" at a board of directors meeting Thursday and got an immediate suggestion for an issue to study—a special tax on county vehicles to pay for a study of the West Bay Transit Authority.

"I would like to see the chamber take a more active part in pushing for solutions to many of the major problems that confront us today," Friedenberg said.

The proposed committee, he said, would make thorough studies of issues referred to it and would report back to the board. Whether or not the chamber took a definite stand on an issue would then be determined by the directors.

Some of the issues would undoubtably fall into the jurisdiction of the chamber's existing committee, Friedenberg pointed out, and in this case, the existing committee could be augmented.

A study of the county vehicle tax was suggested by Director Frank Curry, who called the tax "unfair."

"This thing could cost everyone $12 to $25 per vehicle," he pointed out. "It would especially penalize the businessman."

Curry said the chamber should have been notified by the Board of Supervisors of the pending tax before it was passed earlier this year.

Friedenberg said the issue would be referred to his proposed committee, which he said, is in the process of being formed.

The chairmen of the chamber's existing committees

Paint Storage Permit Denied

A proposal to use a detached garage, in the rear of a Daly City home, for the storage of a painting contractor's equipment and supplies was denied last week by the Daly City Planning Commission.

The commission turned down a request from John Garcia of 731 87th Street, Colma, for a use permit to temporarily store such items as paint, dropcloths, ladders, and paints in a garage in the rear of 275 Station Avenue.

A permit to use the garage as a storage place for other items —including a boat—had been issued to Garcia by the commission three months ago.

Garcia said he had discussed the storage of painting equipment with his neighbors and the fire department and had met no opposition.

Several neighbors, however, including Bill Smith of 290 Station Avenue, Mrs. Virginia Novelli of 267 Station Avenue, and Mrs. Lina Adreveno of 164 Werner Avenue, told the planners they objected to the proposed commercial use.

They said the property was in a residential area and would create a fire hazard. Smith and Mrs. Novelli said Garcia had not discussed the matter with them.

In other business, the commission rezoned a single family lot on the east side of Oriente Street between Geneva Avenue and the Bayshore Elementary School for apartments.

Peter Scatena of San Francisco had originally asked for a commercial zoning.

Mrs. Scatena, who appeared at the meeting in behalf of the application, pointed out it would not be desirable to erect a single family home because of the uses of adjacent property — school and business.

City Engineer William Chapman pointed out that during the time the city considered the entire rezoning of Bayshore, the school property appeared on the maps as a series of subdivided lots.

The commissioners felt the property would be more suited for an apartment building and would act as a "buffer" between the commercial development and the school.

were named Thursday by Friedenberg.

They are: Armando Zirpoli, industrial development; Fred Martin, Miss Daly City contest; Frank Curry, Mary's Help Hospital; Pete Markovich, chamber golf tournament; Elio Fontana, student awards night; Mona Baker, publicity; John Wuerthner, membership; Joseph Rohl, Government Research Council; Tom Coyne, San Mateo County Development Association; Donald Munson, transportation; Alyce Brachman, nomination; Jack Kendree, past president and installation night; Edward Morgan, Christmas party, and Vincent Murphy, brochure.

The directors also discussed drawing up a new promotional brochure for Daly City.

Friedenberg said he is anxious for the chamber to put out "a first-class brochure" to attract new business and industry to the city.

Chamber Manager Markovich said approximately 6,000 of the present brochures are issued annually from his office at 6454 Mission Street.

A new city map has been delayed because of the pending development of Serramonte and the location and names of major streets there, he noted.

In other action, the directors:

Authorized the expenditure of a maximum of $400 for decoration of the city's Christmas tree in the Crocker Hills above Mission Street.

Heard plans for the chamber's Christmas party tomorrow at the Friar Room of Serra Bowl.

Decided to make a thorough study of the chamber's dues structure.

Recall Bid Seeks 20 Pct. Of Voters

Petitions for the recall of the board of trustees of the Laguna Salada School District were to be circulated throughout Pacifica, starting yesterday, by approximately 40 Help Eliminate Lax Planning (HELP) volunteers, according to Eugene Cowhig, of 1026 Fassler Avenue, chairman of the recall movement.

Circulation was to continue until signatures were obtained from 20 per cent of the registered voters in the district, the number necessary to order a recall election.

Cowhig said he didn't want to make any official statement until the ball actually gets rolling, but that he doesn't anticipate any trouble in obtaining the necessary signatures.

The petitions accuse the trustees of acting in "arbitrary and capricious manners in determining school district policy."

They further charge members with "refusing to listen to cogent arguments presented by parents of children in the school district, which were contrary to the member's own wishes in certain matters relating to school district policy."

HELP is a group of parents who strongly objected when their children were transported from Ortega School to Linda Mar school at the beginning of the current school year.

District Supt. Fred Lucas explained that the children were transported to keep classes at Ortega within the 31 student limit proscribed by law.

Last month Lucas revealed that vacancies had been caused by people moving out of the school area and any parents who wished their child returned to Ortega were invited to do so.

Six of the 29 children were returned to Ortega while HELP proceeded in its plan to recall the board.

Prevention Tips Given By Firemen

One of the most joyous times of the year could suddenly become the saddest through carelessness around the Christmas tree, the Daly City Fire Prevention Bureau warns.

Last year, a rash plague of Yuletide fires throughout the country took 43 lives.

The bureau offered these suggestions in the care and handling of trees and presents.

Place candles in a firm fire-proof base away from paper or cloth. Watch children near the candles and make sure all candles are out before leaving the house or going to bed.

Fires in the fireplace should be kept a reasonable size. A fire should be built on a grate, not on bricks, and a fire screen should be placed in front of it.

Fire resistant and underwriter-approved decorations should be used.

Christmas wrappings should be disposed of quickly in a metal can.

Have more than the usual amount of ash trays around the room during the holiday season and use extra caution when smoking near the tree or packages.

Christmas tree lights or spotlights can cause fires if placed too near paper or cloth.

Watch the tree. If lights cause the needles to turn brown, move the light. Make sure lights are turned off when no one is around.

Remove the tree as soon after Christmas as you can and if you burn the tree, cut it into small sections and burn slowly.

ent in charge of administrative services, were to attend another meeting of the state board last night to restate their case. They will report back to trustees January 4.

Trustees also were given a brief report by Dr. Foster on a pioneer study of pre-adolescent attitudes on cigarettes and smoking, conducted during the past year in the district.

Eight sixth-grade classes throughout the district had been selected to participate in an experiment to determine how a special science unit involving the heart and circulatary system, coronary heart disease and stroke, and prevention of diseases of the arteries would affect the attitudes of sixth graders regarding smoking.

The study was financed by $1,400 donated by the American heart Association and the National Science Foundation Institute. It was directed by Helen Delafield, the district's co-ordinator of Health, Education and Nursing Services.

The study, the first of a three-year experiment, tested the hypothesis that children who become deeply aware of the effects of smoking on health will be less likely to smoke than those children who are not so fully aware.

Dr. Foster said that essays written by the experimental and control groups at both the beginning and conclusion of the eight-week course showed that the four classes that received the science unit were more knowledgeable about the harmful effects of smoking than those that did not receive instruction.

The administration has applied for $7,500 needed each year to continue with the study.

The board decided to hold a special meeting after the beginning of the year to give the teachers involved the opportunity to report more fully on the results of the experiment.

In other action, the board awarded a contract for $10,500 to the Baptista Landscaping Service for the installation of a sprinkler system at Franklin D. Roosevelt School, contingent upon approval of Daly City, which will share the cost of the work with the district.

area will be completed sometime next week.

Casinelli said that crews are expected to finish blacktop work this week on the entire four lanes of the roadway.

The only job remaining then will be the placing of guide posts, markers, chain fences at bus stops and other safety devices.

"Then we'll send in the clean-up detail and the next step toward opening day will be up to Mr. Baldwin who is making all arrangements," Casinelli concluded.

$690 Stolen In Daly City

Approximately $690 was stolen from a Daly City home Friday, police reported.

When Joseph Romeo of 202 Alta Vista Drive returned home, he found several drawers opened and clothes thrown on the floor. Only the money was missing, he said.

The burglar made his entry by cutting out a piece of glass around a window latch.

ties for a portable CD hospital will be developed at the underground facility.

The council unanimously decided to establish permanent police headquarters at the surplus facility at the Army base after reviewing other possible alternatives, including construction of a police station over fire department headquarters in Pacific Manor, renting an additional building or constructing entirely new police headquarters.

The facility will be leased to the city at no cost by the Army.

Police Chief Neil Tremaine was also authorized to establish an unmanned branch police substation at the Linda Mar Fire Department.

Much of last week's five-hour-long meeting was taken up with a review of the first portion of the Karp Development Corporation's multi-million dollar, 400-unit apartment house project at Skyline and Hickey Boulevards. Councilmen deferred final approval until this week, however, for more specific information on certain conditions and specific setbacks.

In other actions, the council:

Scheduled a public hearing January 13 on an application of Mrs. Kathryn Bouly to construct homes on two substandard building sites on Sterling Avenue at Laurel Way after receiving a number of protests from nearby residents that approval would lower property values in the area.

Received a letter from the Doelger Corporation withdrawing an application to construct homes on two lots on Horizon Way that the Park, Beach and Recreation Commission had recommended be kept as an open space.

Passed a resolution at the request of the Association of Bay Area Governments asking more time for study before the San Luis interceptor drain into the Bay is approved.

Heard a report from the city engineer that trees and shrubs planted by a nearby resident at the bottom of Pedro Creek were removed because they created a hazard.

Heard a report that Vallemar residents favor keeping Calera Creek as it is without further park improvements.

Referred to the Park, Beach and Recreation Commission a request from the Safety Commission that the State Division of Highways be asked to improve a safer equestrian crossing in the vicinity of Linda Mar Boulevard.

Adopted an ordinance controlling community TV antennas.

Referred to the Safety Commission a report from the city engineer on a city-wide plan to improve street lighting.

Took under study a proposed agreement with the Division of Highways for maintenance of freeway overpasses and pedestrian structures.

rage, opened the door, but was driven back by flames.

Firemen said when they arrived the garage was "a ball of flame."

Asst. Fire Chief Al Brauns reported that the transmission of the 1957 model vehicle had been removed and the front wheels were on blocks.

Rayburn's mother, Mrs. Rudy Ramirez told investigators the youth had planned to work on the vehicle today. She said her son was to have reported to Fort Ord, December 28.

Det. Sal Rosano said the young couple went to a nearby party Friday night, but had left early.

When the girl did not return home by the promised time of 11 p.m., Deputy Corner Joseph McPheeters reported her worried parents called all her friends.

Police said that a garbageman heard the blast two blocks away.

Brauns estimated damage at between $1,300 and $1,500.

The tragedy was only one of several calls which kept South San Francisco firemen busy Friday and early Saturday morning.

Hoseman William Lynch, 35, of 16 Escanyo Drive, suffered a fractured and badly lacerated finger on his left hand when a ladder apparently telescoped downward as he was climbing the roof of the Southwood Market to investigate a report of smoke shortly before midnight.

Firemen said Zacareas Epsinoza, 223 Junipera Avenue, was rescued from his smoke filled home Friday afternoon when flames gutted a rear bedroom and did an estimated $3,000 damage.

tantly anti-Christian." Other teachers, he added, are "bowing to economic pressures."

When he requested his class to pray for the small child seven years ago, Lynch said a charge of "irregularities in classroom procedure" was placed on his record. He claimed that Lucas has failed to "clarify" the charge, which has resulted in his having no chance for advancement within this district.

"Each year despite pressures I have tried to put on a program that would illustrate our rich Christian cultural heritage," Lynch continued. "But each year I have gone ahead despite the censorship."

This year, Lynch claimed, all teachers were required to submit any proposed Christmas program two weeks ahead of time for approval by the administration.

Despite the unoffensive character of two plays, one entitled "Christmas Windows," and the other the "Wandering Christ Child," Lynch said he was informed by the school's principal, John Jacobs, that he would not be allowed to go ahead with plans.

Lynch's charges were expected to be discussed when the board of trustees met last night.

rumor, said only that "no decision has been made."

Hatch, a life-long resident of Half Moon Bay, has served more than 28 years on the county board and is known to be well thought of in Sacramento. He is a former president of the State Supervisors Association, and the oldest active supervisor in the state.

Hatch said that his health is good. "I feel wonderful," he said, "and I think I could serve two more years if I had to, to help the governor out."

Whoever the appointee is, he will serve for two years. In 1966, an election will be held for another two-year term. After that, the position will get back on its regular four-year cycle.

capacity at present is 90 and that the district would like to boost this to 140.

Morgan also asked Ciampi for suggestions on providing an area for a student store. He noted:

"We desperately need a place where we can sell student body cards, dramatic tickets, athletic tickets, year books, etc."

Elio Fontana, president of the board of trustees, termed the letter "very interesting."

Richard Coltrell administrative assistant to the superintendent, said the projected enrollment for Westmoor calls for 2,300 students in the next two years.

He said a present inability to expand the library and art teaching areas "has created some serious problems."

In other action, trustees considered a new policy that would set up a formal procedure to be followed when a member of the community questioned or challenged any instructional material used in the district.

The policy sets down a series of steps that would be followed first at the school level and then, if the question were still not resolved, at the superintendent's level.

Final redress would be to the board.

Coltrell said the policy was written along the lines of a similar policy adopted by the Sequoia School District.

James Ballard, president of the Jefferson District of Federated Teachers, praised the consideration of such a policy, which he termed "very important to have."

The board decided to review the policy further at its next meeting.

In other action, the trustees:

Approved writing a letter of thanks to Cooper Brothers for coming up with a final bill of some $17,000 less than the agreed maximum for repairs to Westmoor's hot water line.

The letter was suggested by Fontana who noted that the company had promised it would try to do the work for less if it could. That it did, Fontana declared, "is highly unusual."

Heard they had been requested by the district attorney's office to offer depositions concerning a law suit district coaches have brought against the district, seeking extra pay for after school duties.

Community Chorus Gives Concert

MEMBERS OF the Daly City Community Chorus presented a program of varied music at their winter concert Friday night in the War Memorial Community Center. An appreciative audience applauded selections that ranged from light opera to western melodies. Highlight of the concert was a medley of Christmas songs. (Post-Times Photo)

CONCERT REVIEW

Musical Yule Card Offered To Daly City

Daly City received a musical Christmas card Friday night, as the city's Community Chorus, under the directon of Patti Stolz, presented a winter concert at the War Memorial Community Center.

The varied program contained everything from light opera (HMS Pinafore) to a sing-along (Yellow Rose of Texas) —much to the enjoyment of both audience and performers.

Highlight of the concert was a Christmas section with the Belle-Tones featured in merry renditions of "I Heard the Bells on Christmas Day" and "Rudolph the Red-Nosed Reindeer."

Proving the old adage that "kids will always steal the show," the audience particularly enjoyed a "Night Before Christmas" sequenced with a dozen pajama-clad youngsters joining talented Jackie Madden in "Santa Clause Is Comin' to Town" and "Jingle Bells."

Charles E. Vincent, director of the Recreation Department, introduced the chorus as a "group of people who enjoy singing as a recreational activity," and it is an apt description.

Although the choir got off to a slightly shaky start, the singers warmed up and finished the concert with a rousing tribute to Sigmund Romberg.

A real audience pleaser was a solo by Walter Jetter Jr. He gave the most professional performance of the evening with his rendition of "I Believe."

Marilyn Bennett and Mrs. Madden also sang excellent solo parts. Other solists included Marge Sondahl, Alice Walker, Betty Elliott, and Sidney Bronstein.

A comic touch was added by Marlene Alvarado with her performance of "All I Want For Christmas."

A rousing ovation was awarded Mrs. Stolz after she directed an excellent performance of "Granada."

A special Christmas flavor was noticeable with the women in gay party dress and men sporting bright red bow ties.

DATZMAN SUCCESSOR

Bayshore Names Morales Trustee

Trustees of the Bayshore School District last week appointed Jessie J. Morales of 267 Oriente Street, Daly City, to the unexpired term of former trustee Marcia Datzman who resigned because of a move to San Bruno.

Morales, chief clerk in charge of office personnel for Abbott Laboratories of San Francisco, will serve at least until June 30 of next year.

JESSIE MORALES

He is expected to seek election to a full term when school board elections are held in April.

The new trustee was sworn in at the December meeting of the board of trustees.

He is the father of two children attending schools in the district—Vicki, a seventh grade student at Robertson School and Michael, a second grade student at Bayshore School.

His wife, Socorro, has been active in P-TA work.

Morales was one of four persons considered for the post.

District Supt. Natalie Lipman explained that the board wanted to appoint someone who was the parent of young children in school, who had been a resident of the Bayshore area for at least five years and who was a participant in community affairs.

The board also decided to shift from a three-woman, two-man board to a three-man, two-woman board and included this factor in setting up criteria for an appointment.

Morales has been a resident of Bayshore for the past eight years. A native of Mexico, he is a U.S. Army veteran and has been associated with his San Francisco employers for the past 19 years.

In other business, trustees authorized the purchase of a new master control clock for Bayshore School to replace one that had been running since the school opened in 1946.

Miss Lipman explained that repairs of the old clock had become too expensive.

The board was notified that holiday open house programs would be held from 7 to 9 p.m. next Wednesday at Robertson and Midway Schools and from 7 to 9 the next night at Bayshore School.

Candle Service Set by Church

A special candlelight service will be held Sunday at 7:30 p.m. at the Bethel Church of Pacifica. Rev. E. J. Banning, pastor, and Associate Pastor Lee Warford will officiate.

Several selections from the contata "Silent Night" will be sung by the Women's Missionary Choir.

Airline Sued By Two D.C. Youngsters

Two Daly City orphans last week filed a $950,000 damage suit against Paradise Airlines, whose Lockheed Constellation crashed in the Sierra March 1. Their parents were among the 85 victims.

Dolores and Stanley Buoncristiani, the parents, were on the flight from San Jose to Lake Tahoe.

They were living at the time at 169 Santa Cruz Avenue, Daly City.

Linda and Lisa Buoncristiani, the children, acting through their legal guardians, seek $600,000 for the loss of their father and $350,000 for the loss of their mother.

The suit raises the damage claims resulting from the air crash near Tahoe City to $8,400,000.

Army Corps Turns Down Study Bid

The Army Corps of Engineers has turned down a request for federal aid and participation in a study of erosion along the Daly City coastline.

Maj. Dondald A. Wisdom, acting district engineer for the Corps, has infomed Daly City Engineer William Chapman that work required to protect and to assure the stability of the coastal bluffs of Daly City "would not be economically feasible" at this time.

Chapman said other alternatives will be studied when a report on a garbage dump near Mussel Rock is completed.

About a year ago, four Daly City homes were endangered when heavy rains and clogged drain basins along the abandoned Old Coast Highway resulted in a series of small slides.

The city subsequently spent $36,000 to put in a new drain line, add fill material and plant shrubbery.

No new slides have been reported since then, Chapman said.

CD Drill Said Success; Pacifica Plans Another

Pacifica's recent mock airplane crash, sponsored by the Civil Defense and Disaster Council to train volunteers for any disaster of that type, has been termed a success by Civil Defense officials.

Paul Rushing, deputy Civil Defense director, said the drill was not intended as a surprise or a public "spectacular" but as training in a specific local situation.

"In general, all concerned agreed the drill was well conducted and that it accomplished the purpose for which it was intended," Rushing said.

He added there was some criticism of the type of drill but that most people concerned felt such a disaster could very well occur in the Pacifica area and the public should know how to act if it did.

He said another drill has been scheduled for April or May and that it will be conducted as part of a national disaster drill. This drill will be supervised by the Pacifica Fire Department, he added.

"Chief (Ed) Greer is planning it as a surprise and it will involve several separate incidents throughout the city," Rushing disclosed.

He said the incidents would be handled through an Emergency Operating Center (EOC) at City Hall.

The EOC is a station where department heads and other persons on a staff level would be standing by in case of disaster, to relay instructions by radio and to gain a broad view of emergency incidents.

Thieves Get $475 in Cash

Thieves stole $475 in currency and two $135 checks from the residence of a Daly City apartment house manager last week.

Joseph F. Glass Jr., who lives in the apartment building at 119 Knowles Avenue, reported that the money and checks represented rent receipts.

He told investigators that from 30 to 40 persons—tenants and friends—knew where he kept the receipts.

Arrest for Fraud Made

Mrs. Charlotte De Cambra, 26, of 75 Willets Street, Daly City, is scheduled to be arraigned Friday on a charge of welfare fraud.

Lt. Adolph Fernandez of the district attorney's office charged that Mrs. De Cambra received welfare aid for two months for her daughter that she was not entitled to, because the girl was being cared for by her grandmother in Oregon. An overpayment of $80 was made, Fernandez said.

BATTERY STOLEN

Virgil Elbert of 405 Palmcrest Street, Daly City, reported to police last week that a battery had been stolen from his auto.

RECORDER STOLEN

Clela Bernard of 130 Westlake Avenue, Daly City, reported to police last week that a tape recorder had been stolen from the basement of her home.

SO YOU THINK maybe you'd like to be a fireman, 48 on, 48 off, or a policeman, wearing that shiny badge and holding pleasant conversations on sunny street corners with pretty girls?

All right, try it. But you'd better be in good shape. The following is a physical agility test all Pacifica police officer and firemen applicants must take before acceptance:

Applicant must tread water for 60 seconds, swim the length of the pool and return no-stop; must carry a sack; will have one chance only of running the 140-yard dash in a minimum time of 22 seconds; will have only two tries at broad jumping at least 10'6"; must do a series of chin-ups; will get two tries on clearing the bar vault; and will receive only one chance at climbing to the top of an aerial rope and returning — by way of the rope, not gravity.

This, of course, does not include written and oral tests, interviews.

TERRA NOVA business teacher Gary Thompson was telling us recently about the Ft. Sill, Oklahoma, service team he played for during his Army service. He made a point that really good athletes put out at all times, whether they're playing for the big pro chips or on a pick-up squad.

Gary played wingback for a Fort Sill team which included 11 pros and won All-Service championship from the almost legendary Pensacola, Florida, crew in 1955.

Some of the great names on the squad were Oklahomans Buck McPhail, Leon Heath and Billy Vessels, as well as Mike McCormick and Marv Matuszak, who was later a fine linebacker for the 49ers.

"They just loved to play football," recalls Thompson. "They were plain rough."

"One time, against Shepard Air Force Base, Vessels (now a Baltimore coach after back injuries cut his pro career prematurely short) broke away for what was obviously going to be an all-the-way run.

"There was only one man left between Billy and the goal line, and we all knew that Bill could easily take him out. But that Vessels loved to hit. He ran straight at the guy, dumped him on his back and fractured the poor guy's jaw."

AT A WARRIOR game with the Celtics, recently, we suddenly realized that, between the respective starting lineups, 30 per cent of the regulars were from San Francisco schools; Bill Russell and K. C. Jones, of the Celts, both having matriculated at USF, and the Warriors' Tom Meschery, who did his prepping at San Francisco's Lincoln High and his collegiate playing with St. Mary's.

We wonder how many — if any — combinations of opponets in any professional sport could field a starting lineup in which 30 per cent of its players were local boys in the city in which the game was taking place.

Last year, incidentally, the Warriors were even stronger on area players, with St. Ignatius' and St. Mary's Fred LaCour being on the squad for a time, as well as Santa Clara's Ken Sears and Stanford's John Windsor.

WE SEE OUR old ex-high school student teacher and former San Francisco State tennis star Joe Woolfson recently made more headlines by wining the National Junior Veterans Doubles Championship at Forest Lawn Courts.

Probably the finest tennis player State ever produced, Woolfson won 55 of 59 matches while wielding a racket for the 'Gators.

He's beaten such stars as former American Davis Cup members Tom Falkenberg and Whitney Reed, and has handled Czechoslovakian star Anton Cernik.

At last count, Woolfson had been in the final round of 455 tournaments.

Joe's now principal of Westlake Junior High. He's gone a long way since we used to help drive him nuts in civics in 1952.

But we do feel sort of responsible for both his professional and sports growth.

After a day of dealing with us, he must have worked off just enough of his hostilities by giving that tennis a champ.

ball that little bit of extra hell he needed to make him

And that our class perhaps advanced his career as an administrator by teaching him greater tolerance goes without saying.

STATE FOOTBALLERS placed six men on the All Far Western Conference two-platoon squad last week. End Mike Meyer, tackle Paul Richards, and halfback Tom Piggee made the offensive squad. On the defense were Lineman Angelo Crudo, linebacker Dennis Drucker and back Tom Janis.

Seven 'Gators made the second squad. On offense were guard Cliff Greenwood, center George Benkie, and backs Jerry Brown and Randy Ketlinski. Defensively, State placed lineman Walt Filkowski, linebacker Dennis Dow, and back Tim Tierney.

We're glad to see college football back to two-platooning (although the FWC had always retained it). When it went out in 1952 we predicted one platoon football wouldn't last three years.

We were a little off our timing, but, again, football has turned its full cycle.

Within a few years we might be back to the old standard T-formation, with nobody split and a back in motion. And somebody'll call it new.

FINAL RAMBLINGS: Unlike baseball, which insists on differentiating between 154-game and 162-game records, the NFL lumps together all records, whether made in the old 12 or current 14-game season . . . How strange it is that Notre Dame's John Huarte made hardly a first string All American squad until he was awarded the Hisman Trophy. Now he's making them all . . . More All American foolishness was perpetrated upon the public last week when one named first string contained four quarterbacks. Who would run with the ball on that team? . . . 49er linebacker Matt Hazeltine is the most un-herald player in the NFL . . . The L. A. Rams had 13 rookies on their roster this year.

Sharks to Run and Run

By RON BATES

WHEN YOUR tallest man is less than six feet and control of the boards doesn't look too promising, about the only thing you can do to score is get your players down to the basket before your opponents do.

This is the philosophy Oceana coach Rich Warne will use to guide his Sharks in their quest for the North Peninsula League basketball crown this year.

The lack of height and subsequent loss of board control will force the Sharks to use a fast-breaking and aggressively defensive method of play, the coach said.

If the Sharks are slowed down, the loss of 1963-64 all-leaguers Dave Brazealle and Larry Kincade probably will be felt.

Brazealle was one of the league's top scorers and was able to open up the opposing defense with set and jump shots from the outside, enabling the taller Kincade to score from the center or forward shots on pattern plays. two players who saw quite a bit of action last season returning to form the nucleus of this year's contingent. They are forward Bill Wipprecht and center-forward Ken Cozby, the team's tallest player at 5-11.

He has a third veteran returning who saw action as a starter two years ago. Forward Steve Rentmeester had to sit out last year with a broken ankle incurred during football practice.

Rentmeester, a 5-10, 210-pounder, may have the muscle to edge out some of the taller forwards in the league, however. He was an all-league guard in football.

Wipprecht was an honorable mention in last season's all-league selections, Warne pointed out. He added that the 5-10 forward, although smaller than his counterparts, does a good job at forward and hit in double figures in most of the games last season.

OCEANA COACH Rich Warne goes over some strategy with three of his key players in the upcoming North Peninsula League basketball season. From left to right they are Bill Wipprecht, Bob Folger and Ken Cozby. Wipprecht and Cozby are veterans from last year's squad. Folger, an all-league lightweight, is moving into the playmaker slot. (Post-Times Photo)

Cozby's role last year cast him as the seventh man on the team. He was a key reserve.

TO FILL IN some of the gaps caused by graduation, Warne has some promising players up from the B-team.

Key prospects among them are guard Bob Folger and forward Ron Guess, both all-league lightweight selections last year, and Doug Rhodes, who was an honorable mention.

Folger appears to be the heir-apparent to the playmaking role left vacant by the ever-steady, ever-cool Brazealle.

The guard looked good as a floor leader in the first practice game against Terra Linda. He steadied the club down, and scored for 12 points, Warne said.

"Our one strong point is shooting," Warne said. "Guess, for example, has a very good set shot."

Another strong point is a bigger bench, Warne said, "something you need badly if you run hard."

Among the players destined to see a lot of action are John Perry, who has started with Folger at guard, Ken Oden, a varsity player from last year, Jim Maule, up from the B-team and Mike Berger, a sophomore.

WARNE SAID he plans to shift his players around and give them plenty of playing time to prove themselves. He said he will look at the rest of the league when the North Peninsula League tournament is held in January.

He added that he thought Westmoor and South San Francisco will be the teams to beat. From there, the remaining spots are "up for grabs," he said.

"I think that on a given day with all of our shooters hitting," he said, "we may be able to knock any one of them off."

The Sharks meet the Jefferson Indians in their first league game of the season at 3:15 p.m., Friday, January 15.

Deadline for Yule Tourney

Friday is the deadline for entries for the Daly City Recreation Department's Third Annual Basketball Classic.

The tournament is open to high school boys who are not competing on high school basketball teams.

Entry blanks are available from P.E. teachers at both Jefferson and Westmoor high schools and from recreation department facilities. Team rosters and a 50-cent entry fee per player are due by 5 p.m. Friday. A meeting of all team captains will be held Saturday morning at 10 in the War Memorial Community Center to determine places on the schedule.

The tournament will be a consolation one with teams defeated in the first round moving to the losers bracket. All teams entered are guaranteed a minimum of two games.

Games will be played at the War Memorial Community Center gym on Monday and Wednesday nights of the next two weeks beginning at 6:15 p.m.

Members of the championship team, runners-up and consolation winners along with the tourney's Most Sportsmanlike and Most Valuable Players will be awarded individual trophies. A 10-man all-star team will be presented with certificates.

Al Downing of the Yankee has yielded two home runs in his two World Series starts. In 1963, he gave a homer to Moose Skowron, then with the Dodgers. This year Ken Boyer's homer with the bags full won the fourth game, 4-3, for the Cardinals. Downing also gave a homer to Lou Brock while relieving in game seven.

Bob Schul to Compete in Track Meet at CowPalace

One of the world's greatest distance runners, Bob Schul of West Milton, Ohio, confirmed his entry in the Cow Palace Invitational Track Meet last week.

The two-mile world record holder and winner of the 5,000 meter run in the Tokyo Olympics will compete here for the first time January 9, at the Cow Palace. He will perform in either the mile or two mile.

Schul, a 26-year-old stringbean six footer, skyrocketed into international prominence only this year. He upset a great field in the Compton Invitational meet, nabbed first in the AAU championships, and in the U.S.A. - U.S.S.R. dual track meet, then grabbed the big 5,000 meter event and a gold medal at the Olympic games.

If he chooses the two mile, he will face keen competition from little Gerry Lindgren.

Others already entered in the Cow Palace event are quarter mile gold medalist Mike Larrabee, this country's entire pole vault team from Tokyo, Fred Hansen, John Pennel and Bill Pemelton, and Olympic silver medal winners Blaine Lindgren and Randy Matson.

Tickets are on sale at the Cow Palace, Roos Atkins stores in San Francisco and Stanford and Breuner's Oakland, Richmond, Berkeley and Vallejo.

Men's Basketball League Planned

Richard Burton, recreation supervisor for the Pacifica Park, Beach and Recreation Department, said signups are being taken for a men's basketball league Monday at Oceana High School gym at 7:30 p.m.

An organizational meeting for all team managers will be held January to determine fees, rules, regulations and schedules. The league is open to all Pacifica men over 18.

More information may be obtained by calling Burton at 355-4151.

Flag Field Day Is Held

The Pacifica Park, Beach and Recreation Department's annual flag football field day program was held at White Field with showers and a wet turf as a backdrop. Here are the winners results in Class A, B, and C respectively.

Pass for accuracy: Bob Wynia, Peter Fenyes and Bill Bender; browen field running: Wynia, Buffington, and Jerry Snead; pass for distance: Wynia, Snead and Scott Gordon; place kick for distance: Wynia, Snead and Jacobs; punt for distance: Wynia, Kevin Fowler and Richard Catton; center for accuracy: Les Carr, BeeGee Yanez and Gordon.

BB SHOT REPORTED

Philip Madonich of 1118 Hanover Street, Daly City, reported to police over the weekend that someone had shot a BB through the front window of his residence.

Allan Stanley, defenseman for the Toronto Maple Leafs of the National Hockey League, is the nephew of Barney Stanley, a member of the hockey hall of fame.

The 1500 meters, the so-called metric mile, is 119 yards, one foot, nine inches short of a mile.

WRITERS PICK 22 FINEST PLAYERS

S.S.F. Lands Three on All-County

By RON REID

The 22 finest high school football players in San Mateo County, in the opinion of this newspaper's staff of sports writers and correspondents, have been named today to the Post-Times' 1964 All-County Football Team.

Representing 13 county schools from five different leagues, the two-platoon all-star squad is composed of 20 seniors and two juniors rated best at their respective positions throughout the past season.

South San Francisco, the North Peninsula League powerhouse that compiled an 8-0-1 record, led the balloting to the team with three players, headed by junior halfback Greg Jones who was voted the All-County offensive player of the year.

Jones' South San Francisco teammates on the All-County team are tackles John Francis and Joe Del Carlo.

Other offensive backfield slots were won by Capuchino quarterback Jerry Richards, Dan McGraw of Menlo-Atherton, the South Peninsula Athletic Leauge's offensive player of the year, and Hillsdale's Brad O'Neill.

Rob Nicholl of the Mills Vikings, who caught seven touchdown passes in the Mid-Peninsula League, and John Price, another glue-fingered receiver from Westmoor, won the offensive end posts.

Westmoor's 225-pound Dan Hartman was named at the other offensive tackle spot with Francis.

Guard positions went to San Mateo's Woody Moynahan, the MPL lineman of the Year, and John Browing of Menlo-Atherton, the SPAL champ.

Rich Horwitz of Serra, an All-Catholic Athletic League gridder, was named as All-County center.

On defense, Burlingame's Jack Hanson was selected to an end post along with Pete Villa of tiny Half Moon Bay of the Bay Counties League.

Along with Del Carlo, the Post-Times staff elected Burlingame's Phil Hazelrigh to a defensive tackle post, even though the lad was left off the All Mid-Peninsula League team picked by the circuit's coaches.

The Post-Times also disagreed with the Catholic Athletic League coaches in picking Serra's Pat Edens as an All-County linebacker. Mike Jackson of Capuchino was named as the team's other linebacker.

At defensive guards, Woodside's Charlie Concannon and Jack Curtis of El Camino were chosen.

Defensive backs included George Crooks, the SPAL's Defensive player of the year, junior Fred Garret of San Mateo and Chris Hansen of Woodside.

Pirates Top Orioles in Rec Action

Here is a summary of practice game action in last night's basketball leagues sponsored by the Daly City Recreation Department.

FIFTH GRADE

Jim Wyatt's PAL Pirates demonstrated overall strength in downing the OLPH Orioles. The first team, with Joe Randolph, Teddy Grey, Todd Stevenson, Tom Price and Gary Lindsay all showed promise in notching the win.

Frank Curry's OLM Red Tigers downed the Larry Forney-coached Broncos with Nevin Carroll dumping in 17 points and Frank Curry Jr., six.

OLPH's second team, the Bluejays pulled out a surprise win over the BYA Kittens, 19-13. P. J. Martin lead his teammates to the win by taking 14 points.

Toughest game of the day was a contest between the PAL Bucanners and the OLM Panthers. The Panters were edged, 11-10. Kirk Dove was high point man for the Bucs while Speedy Schwapp topped the Panthers.

SIXTH GRADE

A seesaw battle between the PAL Green Tigers and OLM Red Falcons ended last week with the Tigers on top, 26-23.

The Tigers, coached by George Pedroni and Rich Brewer, had too much bench strength for the Falcons, coached by Jay Flynn and John Matteucci.

Jack Hasten and Randy Fitzgerald accounted for most of the Tiger points. Jerry Montague of the Falcons hit five long shots for his team's scoring honors.

The OLPH Arrows fell before the PAL Bullets 31-16. The Bullets used a fast break with Howie Kaplan, Bill Sherbert and Ray Pellegrini to score the win.

Rick Newman hit 16 ponts to lead his PAL Green Pistons over the PAL Rams.

Jeff Mietz' PAL Indians put together a big scoring effort to drub the PAL Green Hawks 31-14 with Brad Quanstrom leading the way.

Coast Football Champs Reign

The Eagles, Navy and the Tigers reigned as champs of their leagues in football competition sponsored by the Pacifica Park, Beach and Recreation Department. Here are the final standings:

Key Game Left For Loop Title

One key game, between the league-leading A-OK's and the third-place Nettles, remains to be played in the first round of competition in the Pacifica Adult Volleyball League.

The game could result in a three-way tie for the championship between the A-OK's, the Left-Overs and the Nettles if the Nettles win. If the A-OK's take it, they will cinch the title.

Last week the Nettles romped over the Skyliners, the A-OK's downed the Sea Gulls and the Linda Martians topped the Beginners.

WINDOW BROKEN

Rosalie Bertolucci of 327 Woodrow Street, Daly City, reported to police over the weekend that someone had thrown pieces of pumpkin against a window of her residence, breaking the window.

AT JEFFERSON

NPL Lightweight Tourney Planned

The lightweight basketball teams of the North Peninsula League will steal the spotlight from their varsity counterparts next week when they participate in the Second Annual Jefferson Lightweight Invitational Tournament.

The tournament will be held Monday through Wednesday in the Jefferson High School gymnasium with the first tipoff, between San Mateo and Terra Nova, scheduled for 10 a.m.

The championship game will be played next Wednesday at 2:30 p.m.

The San Mateo Bearcats won the tournament title last year and are favored to repeat this year.

Jefferson, the host school, El Camino and South San Francisco all figure as contenders for the title, however, Jefferson won the NPL lighweight title last year with a 10-0 record.

Stiff competition also may come from the only other school outside of the six North County schools.

Carlmont will enter a team that includes Dan Cicero, an all-tournament team selection last year.

Tournament director is Jefferson lightweight coach Mic Kelly.

He said the main purpose of the tournament is to build up interest in the lightweight division.

Colma Soccer Leagues End

The Dutchman and the Hillbillies have tied for the championship of the Colma Intermediate School-Daly City Recreational Department Soccer League.

Three teams tied for second place with identical won five, lost three and tied one records. A playoff will be held among the first five teams next week. Here are the final standings:

'Enlist Now, Serve Later'

Details of the Marine Corps' new "enlist now, serve later" program may be obtained from the Marine Corps Recruiting Station at 6705 Mission Street, Daly City, according to Sgt. J. E. Thomas, Daly City recruiter.

The program provides a 120-day delay after enlistment before an enlistee checks in for active duty.

Sergeant Thomas said the period gives the enlistee an opportunity to complete high school or personal plans. The period, however, counts toward promotions, pay increments and the over-all term of enlistment, he added.

Football Coach Woody Hayes started the 1964 season with a record of 60 victories, 19 defeats and six ties at Ohio State.

S.S.F. MAN RESCUED

Month's Cruise Lasts Two Days

A month-long cruise in the Caribbean has ended after two days for a South San Francisco man and his Bay Area crewmates.

William Gorham, 100 Del Monte Avenue, a 40-year-old clothing salesman, was identified as one of those aboard the 50-foot yawl "The Anchorite," which went aground a week ago Sunday morning on a reef off Askling Island.

Also aboard were the skipper, Dr. Charles E. Keys, Mill Valley; Mrs. Keys; Dr. Lloyd Benson, Sausalito; Albert Sellinger, a San Francisco CPA; Mrs. Sellinger; Gorham and his brother, Joseph, from Nebraska, and a Mrs. Jo Holland, whose home town was not reported.

The yawl, whose name means "one who withdraws from the world to live in seclusion, usually for religious reasons," was purchased by a Bay Area group last June, in Florida.

The idea was, various parties of the group would take over the boat for month-long tours of the Caribbean, eventually sailing the craft to San Francisco.

Doctor Keys and his party had just boarded the Anchorite Friday, at Crooked Island, the Bahamas, and were headed for Virgin Island.

Sunday at 5 a.m., they went aground.

Doctor Keys had the other members of the party board liferafts, while he took an eight-foot dinghy made of fibreglas, and rowed for help.

By 11 a.m., he had reached Chester, on Ackling Island, and sent out a search party including a Coast Guard plane and a private yacht, the Norma G.

LT. RONALD S. NAGY, son of Mr. and Mrs. Adolph J. Nagy of 229 Wilshire Avenue, Daly City, has been transferred to the Hawaii National Guard from the California National Guard. He is attending the University of Hawaii and lives in Honolulu with his wife, Beverly. He is a 1958 graduate of Westmoor High School.

'Ramifications' Being Prepared

Westmoor High School's Creative Writing Club is at work on publication of its literary magazine, "Ramifications in the Spring."

In past years, the magazine has featured poems, essays and short stories. Club advisers are Ruth Finnerty and Donald Dunning.

Free Carol Books Ready

Nothing quite captures the spirit of the Christmas season so much as the singing of Christmas carols, most folks will agree.

In keeping with the Christmas season, the Post is now offering a free Christmas carol booklet for everyone placing a classified ad.

The attractive booklets contain words and music for 16 traditional Christmas melodies.

They will be distributed as long as the current supply lasts.

Dr. Kerr Must Be Backed Up

THE UNIVERSITY OF CALIFORNIA is, first and foremost, a state-supported institution of learning. Its prime function is to teach, to seek out new knowledge, and to contribute to learning. No matter how large, how complex, or how unwieldy it has become, it must not be diverted from this prime function. If it is diverted, it loses its reason for being and its justification for support by the taxpayers of Caliornia.

The Berekeley segment of the university, the original and largest campus of the institution, has been the scene of wild and distinctly juvenile dissension that interrupts and thwarts the carrying out of its prime function. The people of the state will not tolerate this and the Board of Regents, representing the stewardship of the people of the state, faces the inescapable duty of returning the Berkeley University to the purpose for which it was founded.

The Regents can only do this by asserting its authority through support of the administration that governs the university. The administration must have the power to correct the situation—even if this involves the disciplining of both students and faculty.

IT IS NOT a pretty situation. It is a situation in which a small group of immature and dissident students, aided by outside disturbers, have created an entirely phony issue of "free speech" by combating reasonable rules and regulations of conduct designed by the university administration for the purpose of maintaining a peaceful and orderly institution where the function of learning, of study, and of research can be carried on.

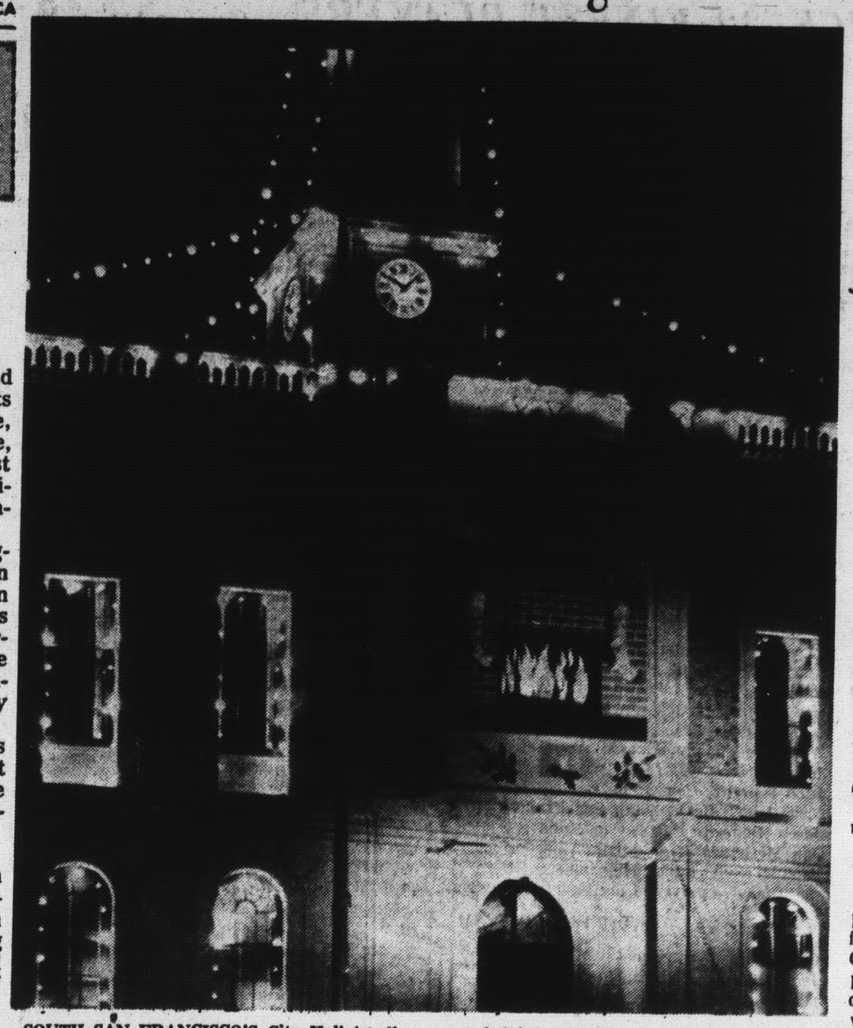
Insofar as a comparatively small number of students is concerned, the "free speech" issue has been an opportunity to "raise hell" and assert juvenile braggadocio. Unfortunately, they have been able, by a false air of martyrdom, to infect other students with an almost hysterical orgy of emotionalism which, as any psychologist can state, is an easy thing to do. There can be no doubt that this effect was calculated.

Obviously, some members of the faculty were also infected by this emotionalism, but it is equally clear that others among the faculty found this to be an opportunity to push for authority that is properly vested in the university administration. The Academic Senate voted 824 to 115 to "pull the rug out from under" Dr. Clark Kerr and the administration by proposing a plan that gives the faculty disciplinary powers with respect to the current dispute and establishes faculty ascendancy over the administration by precedent.

THE RECORD shows that Dr. Kerr has been an able, fair, and liberal administrator. He had the backing and aid of the governor when he did what he had to do to restore order. If he is not backed up by the Regents, the faculty and students will be running the university, not the people of California.

He should be given full power to take whatever steps are necessary to return the university to its function of education. Students and faculty, who cannot accept this, are free to leave.

Yuletide Trimmings



SOUTH SAN FRANCISCO'S City Hall is all decked out with all the Yuletide trimmings in preparation for Santa's visit next week. The trimmings include a fireplace and stockings above the hall's entrance at 400 Grand Avenue. The building annually is one of the most brightly decorated structures in the North County when the holiday season rolls around. Throughout the North County this week, householders, businessmen and municipal offices were busy winding up similar trimming activities. (Post-Times Photo)

The Trauma Of the Tree

Don Miller

A CURSORY GLANCE around the neighborhood and at corner lots these days will readily indicate that one of the most turbulent times of the year for any family is once again at hand.

For this is the time the Christmas tree grows into the limelight and all the attendant complications of selecting, installing and trimming the Yuletide harbinger create in most households as much disruption as if the family pooch had deposited a dead skunk behind the living room couch.

There is probably nothing associated with the season of good will that comes closer to making it the season of bad will than the annual intra-family war associated with all the decisions that must be made regarding implanting this bit of evergreen in home sweet home.

At the height of the struggle, mother more often than not declares wearily that this is the LAST year a Christmas tree shall clutter up the living room and that next year, only a small, artificial bit of sprig will decorate the top of a table.

However, as we all know, this threat — proclaimed in the heat of battle—is quickly forgotten after, somewhat miraculously, the Christmas tree is duly in place and trimmed, pampered, lighted and ready to receive the deluge of relatives, friends and sundry well-wishers who can be expected to call during the holiday season.

★ ★ ★

THE IN-FIGHTING over what shall ultimately reign as the centerpiece of a household's Christmas finery usually is triggered by the tricky question of timing.

That is, when should the tree be purchased? Should it begin its reign one, two or three weeks before the holiday or—as in some traditional households—should it be kept waiting in the wings until Christmas Eve itself?

There is a sentimental school of thought that would have yon tree in place scarcely before December has had a chance to get its bearings and then would have the tree stagger through well past the New Year's hangover and make a try for Valentine's Day.

An opposing school of thought, generally with scrooge leanings, is in favor of as brief an appearance as possible. This faction generally has the ash can ready a day or so after Christmas and all the paraphernlia of trimming tucked away in some corner of the attic until next year.

Once this initial skirmish on timing has been decided, the major offensive of the battle begins to shape up—the struggle over exactly what kind of tree will be stuffed into the trunk of the family flivver and carted away for its suit of ornaments.

Father thinks the tree should tower into the heavens, mother leans toward a midget version, junior wants the short needles and sister clamors for the long ones.

★ ★ ★

AND SO the great hunt begins. At one point in the proceedings, all four members of the family can be seen in a different corner of the Christmas tree lot, each holding up what he loudly proclaims to the rest of the clan as "just exactly the tree we're looking for."

Since buying four trees gets a bit expensive—to say nothing of moving all the furniture into the basement to accommodate them —the search goes on until through an involved process of cajoling, harangues, threats, mock tears, and ultimately compromise, the sale of another Christmas tree becomes history.

The seller has patiently weathered the struggle, of course, because after a few years in this highly seasonal business, he knows what to expect when a family troops in to buy one of his wares.

In fact, he'll tell you that in the average case, he'd have time to dash off and get a haircut, down a short beer, play the daily double and shoot a couple of games of pool before the family made up its collective minds.

★ ★ ★

ONCE PURCHASED and carted off to the old homestead, the tree then becomes involved in still another lively skirmish when a decision must be made on where it will reign.

Although last year's tree looked like a prize-winner from its spot over by the front window, invariably this year everybody has a new idea where it should go—none of these brainstorms by the way, taking into account the requirements of cleaning and keeping house that mother is only too well aware of.

After a location has been determined (which has been preceded by several dozen trips to the front sidewalk to see what others will see when they pass by), the next tree trauma bows in and always has an aura of engineering about it.

Suddenly, every member of the family becomes an expert on the angle of lean and in the attempt that follows to set the tree up straight and true, yon evergreen goes through such a travail of pulling, pushing, propping, whirling, and tugging that you'd swear the family could do wonders with the Leaning Tower of Pisa.

★ ★ ★

DECORATING the tree comes next and inextricably involved here are decisions on whether the lights shall twinkle or just glare, whether the ornaments shall be of one color or everything in the rainbow, whether junior's toy train shall careen around the bottom (if it survived the cat's frontal assault last year) or whether a pastoral winter scene should replace the railroad.

Ultimately, however, the tree is in place, decorated and ready. And, as everyone expected right along, it turns out to be a dandy example of Yuletide splendor—admired proudly by a reunited family and by all of the sea son's subsequent callers.

It reigns supremely at this point and when you stop to think about it for a moment, it should. For the Christmas tree, somehow, has just survived one of the most turbulent times of the year—by far!

North County Notebook

Emptying Out The Notebook

Ron Bates

WITH THE new year approaching, this seems a good time to clear out my notebook of all those little items that you really can't write a complete column about, but should somehow be recorded for posterity.

Let's go back first to November and the election.

I have strong feelings against voter apathy because in covering several elections over the past few years, I've seen a lot of it. Therefore, it does my heart good to see someone really go out of his way to exercise his right to vote.

The incident I refer to occured at one of the polling places in St. Francis Heights. A long line of voters was somewhat startled to see an ambulance pull up in front of the garage-poling station and two attendants step out.

They took out a wheelchair and then helped a woman who was lying on a cot in the back of the ambulance into it. They wheeled her into the polling place where the long line of voters quickly motioned her to the front.

After she was cleared by the registrars, the attendants took her to the booth and left her to exercise a power that so many of us take for granted.

As quickly as she came, she left. But I think those voters who witnessed the incident were left with a real impression of democracy in action.

The woman, by the way, is Mrs. Frances Owens and she lives at 87 Midvale Drive.

HOW FLEETING fame is. On Feb. 20, 1962, John Glenn earned himself an indelible place in history by circling the earth three times in an American space capsule.

America was popping its buttons and in virtually every city in the country something — ranging all the way from babies to schools — was being named for the space pioneer.

Daly City was no exception. A newly completed turnoff from the Edgemar Freeway into the Westlake Terrace section of the city was christened John Glenn Drive.

As more and more space capsules went up, Glenn's feat became more and more smaller in scope. Glenn ventured into politics, was sidelined by an injury and then left the Marine Corps.

In Daly City, some freeway construction was completed, and the Edgemar turnoff terminated. Two weeks ago, John Glenn Drive was hauled away in a couple of dirt trucks.

AMONG THE judges for the annual Westlake Improvement Association Christmas Home Decorations' Contest are Judge Charles Becker and Daly City Councilman Albert Polonsky, two distinguished members of the city's Jewish community.

When Polonsky was asked to join the battery of judges by association secretary Alyce Brachman, the councilman chuckled and said, "At least with Judge Becker and myself, you'll get an unbiased viewpoint."

Mrs. Brachman, wife of sportswriter Bob Brachman, said she was present once when Judge Becker was asked about the difference between Chanukah (pronounced Khanoo-ka) and Hanukkah.

Becker replied, "It's the same difference as your Christmas and Xmas."

A NUMBER OF unusual similarities have been pointed out in the assassinations of Presidents Lincoln and Kennedy. Try this local one out for size.

Jim Oswald of the Daly City Recreation Department is no relation to the late Harvy Oswald, Kennedy's accused assassin. Jim's mother's maiden name is Kennedy.

THE WAR between the North and the South is still being waged — at least in San Mateo County.

Most of the November meeting of the San Mateo County Council of Mayors was taken up with a heated discussion over the existence of the North San Mateo County Council of Cities.

One of the generals from the South, leading the battle to abolish the group is Wallace Benson, former mayor of Belmont.

Benson fits the part of the Southern general to a T. He has a portly posture, graying temples and a cigar that never goes out.

He started the battle going with some remarks about splitting the county in two. Then when tempers starts to flare, he tried to douse it with an order of wine for everyone.

Now that's what I'd call real Southern diplomacy.

The Marquee

The Recipe Was Short

Barbara Bladen

"SHE LOVES ME" is a timely choice for Circle Star Theatre producers Danny Dare and Sammy Lewis to end their first season at the new San Carlos stage because it's about Christmas. It's also about love. And it also has Dorothy Collins. There's a trio that should ring with success. But it doesn't entirely.

Pleasant people amid pleasant surroundings don't create an excitement. That unknown spice was somehow left out of the recipe when director David Tihmar blended the ingredients.

The story itself has a charm that is ageless—that of a boy and girl who start out hating each other and end up head over heels in love. It was good enough for the movie "Shop Around the Corner," with James Stewart and Margaret Sullavan, and it's good enough for a musical. But the music lets down the plot.

It's no secret by now that "Tenderloin" is one of my favorite shows so I hopefully anticipated a similar attachment to this later show by the same writers. Jerry Bock and Sheldon Harnick chose the wrong formula for putting the romantic story into song. Written along operatic lines with each of the principals holding forth in numerous arias, the integration of verbals and vocals loses much of the show's intended buoyancy.

The first half of hte show is the slowest, with short speeches interspersed with uneven choral work. The best song, "She Loves Me," comes nearly at the end of the second half. None of the music stands out. It is so enmeshed in the immediate action of the plot that without the continuity of the story, none of the songs make sense by themselves.

WE WERE DELIGHTED to discover Bill Hayes, who is already known for his teaming with Florence Henderson on television some seasons ago. He has authority in his characterization of a parfumerie store manager who is carrying on a love letter correspondence with a girl he's never seen. She turns out to be his co-worker, the one with whom he is always arguing.

Dorothy Collins is her usual bubbling, effervescent self as the eager shop clerk who is in love with a man she has never met. By the time they discover each other, the couple who work together has become good friends. That makes the admission of their secret identities easier.

James Darren has enough good looks to dress the stage alone. As the two-timer clerk who takes on the cashier and the boss's wife as extracurricular activities, he sings and acts with an easy complacency.

Barbara Ruick is a redheaded bright spot as she caters to the customers and the clerks, only to find her best efforts appreciated by a man she picks up in the library, who wants to improve her mind. Her song about falling in love was among the show's catchier tunes.

The most enjoyable part of the evening for me was the delightful restaurant scene, which features a gypsy violinist, a clumsy busboy and highstrung waiter. Zoya Leporska's choreography is especially inventive.

Peninsula Panorama

Mr. Pedestrian Is Getting Wary

George Whitesell

IF THE PENINSULA pedestrian looks wary it is because he is wise. The space between autos is getting narrower and narrower because there are more and more of them.

And there are a good many places on the Peninsula where a pedestrian never would get across the street during rush hours if it were not for the signal lights.

He has to be wary and it is much healthier if he is also pretty spry about getting from curb to curb. Some lights give just about enough time for an Olympic sprinter to make it from one side of the street to the other.

By the last registration count, there were 232,292 autos in San Mateo County and this a figure that has undoubtedly moved up several thousand more in the last few months of all-time bumper auto sales.

★ ★ ★

NATURALLY, they are not all on the roads and streets at once, although it often seems that way.

One reason for this lies in San Mateo County's strategic "main thoroughfare" location between even larger population centers and other California points originating heavy traffic. This means that, in addition to local traftransient vehicles are going through the county on normal working days.

★ ★ ★

FIGURES for last year show that San Mateo County averages one-and-a-half autos per household.

Among other things, this explains a lot of family arguments. Nobody wants to get stuck with that half-car.

This gets even more complicated when the number of autos is compared with the population. It comes out a fraction more than two people per car.

And you can't cut either people or cars into fractions, although the latter is sometimes achieved in collisions.

★ ★ ★

THIS DEPARTMENT could not get any figure on how many of these autos are fully paid for, but it is a good guess that only about half of the owners have the pink slip in the safe deposit box or kitchen cupboard.

On this guess more than 100,000 residents of the county are scratching up a car payment every month and this takes a lot of scratching as well as a lot of scratch.

It makes auto financing one of our liveliest businesses.

A lot of cars are being leased nowadays, too, and it is estimated that about 20 per cent of the auto registrations in San Francisco, which has a total of 283,229, represent lessees outside San Francisco. This adds thousands of more cars to the local total.

While we are on the money kick, it staggers the imagination a little to know that in 1963 alone the automotive sales in San Mateo County hit $136,067,000.

And, oddly enough, the number of gallons of gasoline sold here in that year was a close match to the dollars spent—a round 137,000,000 gallons.

All that gasoline was pumped through 2,524 pumps in 450 service stations.

★ ★ ★

WHAT ARE the prospects for pedestrians and motorists in coming years?

The rate of vehicle registrations has gone up over 140 per cent in ten years and there is no sign of this slacking off. Actually, it's snowballing at an accelerated rate.

At the least it will likely double again in the next decade. It might be even greater.

A state estimate shows that the population, now around 520,000, will pass San Francisco and grow to 744,000 by 1975—making San Mateo County considtrably larger than San Francisco.

So there will be more pedestrians and more motorists. And, we suspect fewer parking places.

The Book Shelf

By SAMUEL CHANDLER
Daly City Librarian

DAVID SHERRIDANE is the pen name of a Daly City man who recently published a novel entitled, "The Heart of a Gangster."

It is a story that proves that the whole prohibition era—1921-1932—existed a billion years ago and was peopled by a race that is now extinct.

The central character is a tried and true young man who controls his emotions even while sleeping with the most beautiful girl in San Francisco and having his foot burned off by gangsters even while drunk with Canadian liquor.

HE IS A complicated hero, a thorough paragon. He can associate with gangsters but not break the law and defile young maidens while their mothers watch.

Although scarcely 20, he teaches Communists about capitalism and capitalists about socialism.

Although he rides around in his friends' limousines and rests in his girl friends' penthouses, he remains an underpaid bank clerk.

In the end, he marries the girl he would not touch until she "filled out" and takes off to New York where he plans to work in another bank.

Even as his train puls out, the richest girl in San Francisco stands in the depot and decuares that she will be around to catch him when his wife realizes that she can't change him.

MUCH OF the story is autobiographical—even those parts that seem most credulous. Yet, these parts cast an aura of unrealness over the whole book.

Sherridane has a problem that hundreds of writers could not solve—how to tell about extraordinary events in a manner that makes them seem real rather than fictitious.

Mr. Claus' Helpers

A KEY PART of Daly City's annual "Operation Santa Claus" is the collection of canned food by youngsters on a door-to-door basis. Here, Debbie Shulman, left, adds to cans already collected by Karen, Julie and Tommie Bradley. The canned goods will besorted and placed in boxes to be distributed to needy families in Daly City. Toys being repaired by Daly City fireman also will be placed in the boxes. (Post-Times Photo)

Laguna Thanks John Munt For Ten Years of Service

John C. Munt Jr., assistant superintendent of the Laguna Salada School District, has been commended by the board of trustees and District Supt. Fred Lucas for the completion of 10 years service with Laguna Salada.

In a letter to Munt, Lucas noted:

"Under your guidance, nine schools have been constructed in this district—each better than the one before it.

"Since you came to the district as business manager, the school enrollment has increased from 1,600 to about 8,000 with all children on a single session.

"Although there have been many trials and problems in obtaining the necessary facilities to house these children on a single session, it must be a great satisfaction to you to know that you have had a major part in this accomplishment."

Lucas also noted that Munt had played a key role in organizing the Pacifica Chamber of Commerce and had served as its second president and that he and his wife had contributed time to the Girl Scout movement. And he added:

"As co-workers, we recognize your suggestions in school management have always been in the best interest of the children we serve rather than on the basis of your personal convenience or convenience to the functioning of the business division."

Sewer Unit Divested of Westborough

Westborough has been formally taken out of the jurisdiction of the North San Mateo County Sanitation District, the district was told Monday by the County Board of Supervisors.

Directors of the district had requested the action earlier this year when Westborough became part of South San Francisco.

Engineer-Manager Robert Bernicchi said the district will continue to treat the subdivision's sewage, but on a service fee basis of $18 a year.

The effect of the action will be to decrease Westborough homeowners' taxes, he explained.

It also eliminates the possibility of a South San Francisco representative sitting on the district's three-man board of directors.

The board authorized awarding by Suburban Realty of a $56,000 contract to install the first part of a main trunk sewer line along Junipero Serra Boulevard from Washington Street to a point just south of Eastmoor Avenue.

The line will service the entire Serramonte development.

The board also authorized Brown and Caldwell Consultant Engineers to draw plans and specifications for a high water alarm system for the district's seven pumping stations.

Bernicchi said an alarm will ring at the district's headquarters or at the Daly City central fire station if there is a power failure at any of the pumping facilities and a danger of overflowing.

In other action the board of directors:

Reviewed and made recommendations to the Westborough Water District on two plans for the Westborough No. Five and Greenview Commons sections.

Reviewed Daly City's plans for sanitary and sewer line changes at Valley and First Streets to eliminate a flooding problem.

Held over a decision on a contract agreement with the Commodore Helicopter Company for service in testing the district's submarine outfall line.

Acid Solvent Dumped Into D. C. Sewers

Officials of the North San Mateo County Sanitation district are searching for persons who dumped a large quantity of cleaning solvent or chemical with a high acid content into the sewers of Daly City sometime within the last two weeks with "almost disastrous" results to the treatment plant's solid reduction process.

Besides the effect on the plant's treatment process, the dumping of combustible material introduced the danger of explosion in the sewer lines, according to Robert Bernicchi, engineer-manager.

Bernicchi said the acid destroyed a large percentage of the cultivated bacteria used in the district's digester system.

The origin of the substance is a mystery, said Bernicchi, because there are no major industries contributing wastes to the district's system.

"The best guess would be that it is a type of solvent commonly used by cleaning establishments or auto repair shops to clean engine parts," he said.

Louanne's Datebook

By LOUANNE HEATH

WITH CHRISTMAS only days away, the tempo of parties and pagaents has increased to keep up with the frantic pace of all the last-minute shoppers.

Of special interest to everyone in the Holy Angel's Parish, and anyone else who enjoys studying Christmas customs from around the globe, is the "Christmas Festival of Music," to be presented this week end.

Mrs. Pat Campbell and **Mrs. Sharon Haught** have done a herculean job to ensure the beauty of this program. The two have researched the customs and music of a number of foreign lands, authored the narration which will accompany the presentation and rehearsed the children of the parish since October so that they may sing many of the selections in their original form.

The program will be presented Friday and Saturday evening in the parish hall beginning at 8 p.m. According to **Mrs. Ann Thies**, publicity chairman for the Women's Guild, admission to the festival will be free but those attending must make reservations in advance. For ticket information call Mrs. Campbell, PLaza 6-8497.

☆ ☆ ☆

THE CHRISTMAS story in music and with illustrative tableau will be presented by the youth groups of Lakeside Presbyterian Church from 11 p.m. until midnight on December 24 in the sanctuary of the church.

Mrs. Erika Matthes has directed the preparation of the music and the rehearsals of the choirs. According to Mrs. Matthes the public is invited to attend.

☆ ☆ ☆

WALTER JETER, JR., Mrs. Betty Elliot and Jackie Madden, the three talented vocalists who filled-in for **Patti Stolz** when illness forced her withdrawal from the Mary's Help Alumni Luncheon, received a special invitation from Sister Hermine to help cheer patients in the hospital this holiday season.

The three, accompanied by **Mrs. Marge Somdahl**, accepted Sister Hermine's invitation and were among those taking part in Mary's Help annual Christmas show this past Sunday afternoon.

☆ ☆ ☆

MEMBERS OF the Tau Gamma Chapter of the Beta Sigma Phi sorority will visit the residents of the Montara Convalescent home this month to decorate a Christmas tree, do a bit of caroling and present a simple program before they distribute holiday remembrances to patients.

According to **Mrs. Arthur Paymiller**, fifteen girls of Cadet troop 701 will accompany members of the sorority on the annual visit to the home and will help present the program.

☆ ☆ ☆

MEMBERS OF the Beta Sigma Chapter of the Epsilon Sigma Alpha sorority will launch into Christmas week with a progressive dinner Sunday afternoon.

First stop, for cocktails will be the home of **Mrs. Olive Rubek** in Broadmoor. From the Rubek home the ladies will proceed to **Mrs. Yvonne Moise's** for the entree and on to **Mrs. Lois Orent's** home for dessert and the annual exchange of gifts from "secret sisters."

Eighteen guests are expected to enjoy the gathering which is being chairmaned by chapter president **Mrs. Mary Chenevey**. Special guests will be **Mrs. Donna Beachell, Joyce Thompson** and **Ann Hays**, members-at-large who have been inactive in recent months but who will be returning for this special, annual event.

Among those who will be unable to attend is **Mrs. Mary Edwards** who will not return from her three-month tour of the Orient until after Sunday.

☆ ☆ ☆

READERS WHO haven't visited St. Francis Square to see the trees decorated by the elementary school children should do so this week.

The charming evergreens, stationed about the parking lot, all exhibit the creativity of students from five elementary schools who made all the decorations and helped decorate the trees.

Merchants from the St. Francis Square Shopping Center and **Mrs. Gertrude Scanlon** of the St. Francis Dance Studio conceived the idea of the children's trees and coupled a decorations competition with music, dancing and Santa Claus to provide shoppers with a delightful treat this past weekend.

Mrs. Emmy Sosa, Mrs. Lola Repitti and **Mrs. Harriet Misterman** where among the many who worked with the children and the merchants to ensure the success of the program which was presented in the parking lot on Sunday afternoon.

JESSICA SCHOLTZ, a student at Jefferson High School, will be installed Honored Queen of Bethel 107 Friday night in ceremonies which will mark the 67th semi-annual confirmation of new officers in the George Washington Masonic Temple.

Others who will be installed with Jessica are **Jeanne Brooks**, inner guard; **Sue-Ann Purvis**, outer guard; **Ilona Diffloe**, senior custodian; **Mary Bussey**, junior custodian; **Marilyn Moore**, first messenger; **Joan Sandstrom**, second messenger; **Karen Nichols**, third messenger; **Gail Careden**, fourth messenger; **Lynda Sandstrom**, fifth messenger; **Diana Allen**, librarian; **Sandra Johnson**, musician; **Lynette Naipo**, treasurer; **Beth Kaiman**, recorder; **Anita Gaylord**, chaplain; **Merri-Jane Purvis**, guide; **Karen Sloper**, marshall; **Bernal Kaiman**, senior princess; **Valerie Bussey**, junior princess; and **Dagmar Mattos, Diana Lee, Bobbie Menzies, Patricia Johnson** and **Mona Naipo**, members of the Bethel Choir.

Mrs. Lucy Warren of Pacifica, Guardian of Pacifica Under Dispensation, Deputy Grand Guardian, Past Grand Chaplain of the State of California, Past Honored Queen of Bethel 68, San Bruno, and Past Matron, Ruth Chapter, Order of the Eastern Star, will be the hostess of the evening.

Jessica, who is the daughter of **Mr. and Mrs. Herman K. Scholtz**, has chosen "The Gates to Happiness" for the theme of the installation and **Dean Singer** has composed a special song, especially for Jessica's installation. Her mother, Elamal, will sing it during the program.

Mrs. Marilyn Bennet, who with **Mrs. Scholtz** sings in the Daly City Community Chorus, is official soloist for the evening. She will sing "The Bird of Happiness" and "The Lord's Prayer."

Mrs. Scholtz reports that **Ken Starr** and his group will provide the music for the dance which will follow the formal ceremony. **Jerry Matlock** and her dancers will also entertain guests at the reception and dance, honoring the new queen.

Giving Santa a Boost

SANTA'S HELPERS, left to right, Debbie Wrigley, Juanita Fogelstron and Patty Teames fill stockings with candy that will be distributed by Santa to children during a ride through the Winston Manor area of South San Francisco Saturday. His ride and a Christmas party for the children will be sponsored by the Winston Manor Community Association. Members of a committee working on the program are Mr. and Mrs. Al Yrjola, Nick Manuel, Mr. and Mrs. Harold Wrigley, Mr. and Mrs. John Irvine, Mr. and Mrs. Jack Devine, Mr. and Mrs. Paul Teames, Al Remine, Mr. and Mrs. Earl Pero and Mrs. Pauline Finerty.

Sandra Clare McKee and Lloyd Schultz Are Wed

Sandra Clare McKee, daughter of Mr. and Mrs. Burnell McKee, 676 Spruce Avenue, and Lloyd C. Shultz, son of Mr. and Mrs. Howard Power of Yachts, Ore., were married in St. Paul's Methodist Church, South San Francisco.

The bride repeated her vows in a white peau de soie floor-length gown fashioned with a bell-shaped lace bodice skirt and detachable chapel train. The bouffant veil was gathered into a tiara that had been worn by her mother.

The bride is a graduate of South San Francisco High School and the College of San Mateo. Her sister, Garnell McKee, was the maid of honor.

Attendants included Marguerite Drees, Mrs. Richard Malho and Terry Kay Vorcyer.

The groom attended school in Oregon. The best man was John Burnside. Ushers were Bud Peters and Duane Spinelli.

The couple honeymooned in Northern California. They will live in Burlingame.

Sisterhood Sets Games, Dinner

A chicken dinner is planned by the Sisterhood of Congregation B'nai Israel Saturday night, January 9 at 1575 Annie Street, Colma.

A cocktail hour will precede the dinner, which starts at 8:30 p.m. Reservations are being taken by the chairmen, Mrs. H. J. Baum, PL 5-9323, and Mrs. Wolfgang Schlesinger, PL 5-8644.

The sisterhood also is planning a rummage sale January 25 at the Hall of Flowers in San Francisco. Pickup arrangements may be made by calling the chairman, Mrs. Ed Sennett, at PL 5-3042.

Colma K-6 Play To Be Presented

The students of Colma K-6 School will present their annual Christmas play to members of the Hillside P-TA tomorrow at 7:30 p.m. in the multi-use room.

The play is entitled "Christmas on the Moon," a musical fantasy of earthman's first encounter with life on the moon. Representatives from each grade level will participate in the play.

The play was written and will be directed by Mrs. Sharon Marocchi, a kindergarten teacher. Her assistant is Mrs. Karen Kurokawa, also a kindergarten teacher.

Following the play the Colma K-6 Glee Club, under the direction of Laura Abernathy will present a selection of Christmas songs.

P-TA Activities

Vista Grande Sets Annual Yule Party

The Vista Grande School P-TA will present its annual holiday program at 7:30 tonight in the multi-use room of Colma Intermediate School.

The program will include the singing of "Jingle Bells" by kindergarten classes, of "Rudolph the Red-Nosed Reindeer" by first grade classes, of "Hello Santa" by second and third grade classes of "Deck the Halls" by a third grade group and a performance of the skit, "The Night Before Christmas," by a fourth grade class.

The Jefferson Elementary School District orchestra will play a number of selections.

Christmas Play Set at Westview

The Westview P-TA will meet today at 9:45 a.m. to see a play entitled "Amahl and the Night Visitors," presented by the fitfh grade classes of Mrs. Irene Spang and John Stuart.

A special performance was given to the school children yesterday. The P-TA will sponsor a night performance of the play with proceeds going to the beautification of the Westview School.

Taking part in the play are Gerald Wall, Brenda Albertz, Thomas Voss, Terry Fundetburk, Paul Castle, Bruce Leslie, Rose Mary Dominguez, Melody Fredricks, Laurie Hagler, Brigid McMahon, Cathy McCray, Timmy Maroney, Alfred Patrick, Korrine Ramirez, Janice Jaeger, Dennis Sullivan, Janet Watson, Georgiana Watson.

Stage crew includes Carol Burt, Desi Chavez, Debra Hagler, Brian Lally, Bruce Lorenz, Jimmy Sewell and Doug Wilborn.

Vista Mar Notes Yuletide Season

Chanukah and the Christmas season were celebrated in song when the Vista Mar School held its Christmas program. Children in the kindergarten through sixth grades sang songs.

Olympia Students Will View Movie

A Christmas program for children at Olympia School in Daly City will be held at 10:30 a.m. Tuesday in the school. It will feature a movie, entitled: "The Three Worlds of Gulliver."

Room mothers will act as monitors. Tickets may be purchased at the school office for 25 cents. Donuts will be sold during the movie at 10 cents each.

Daniel Webster to Fete Christmas

The Daniel Webster School P-TA will hold its fifth annual Christmas program today at 1 p.m. No business session is planned.

Participants in the program will be the students of Daniel Webster. Teacher Lauren Abernathy will lead the school's glee club and Richard Snyder will direct an instrumental group.

Children in kindergarten through the sixth grade will perform with their respective classrooms under direction of the teachers. Vocal, piano and dance solos will also be given.

Dickens' 'Carol' Slated at Ortega

Charles Dickens' "Christmas Carol" will be presented by the children of Ortega School tonight at 8 p.m. in the multi-use room before the school's P-TA organization.

The play is under the direction of teacher George Evans. It was shown to the children two weeks ago.

President Robert Turner said a short business meeting will be held. Refreshments will be served.

International Tea Held at School

An "Around the World Tea" was held last week at George Washington School in Daly City. It was given by the fifth grade.

Songs from different countries were sung by the children, accompanied by Mrs. Violet Norsworthy. Also helping were Mrs. Margaret Clarke and Mrs. Leslie Crews.

The fifth grade classes decorated a Christmas tree with hand-made egg shell ornaments.

Home-made cookies of foreign extraction were brought to the school by the children. The teachers and children made recipe books to be distributed to the parents. During the tea, several of the children wore costumes of the various countries.

Sugar 'n' Spice

By Nell Norton

Here are some recipes for your Christmas baking that will really start you to "itchin'" to get started on this most pleasant Christmas chore.

SUGAR AND SPICE SNAPS

- 2¼ cups sifted flour
- 2 teaspoons soda
- ½ teaspoon nutmeg
- ¾ cup butter
- 1 cup sugar
- 1 unbeaten egg
- ¼ cup honey

Sift the dry ingredients together and set aside. Melt the butter in a two-quart saucepan. Cool. Then add the sugar, beating well. Add the unbeaten egg and stir altogether. Next add the honey and the dry ingredients.

Drop by rounded teaspoonsful into sugar; coat. Place on ungreased cookie sheets. Bake at 350 degrees for 8 to 10 minutes until light golden brown. Cool one minute and remove from cookie sheet. Makes 4 to 5 dozen.

☆ ☆ ☆

CHRISTMAS baking could not be complete without making cut-out cookies.

SUGAR COOKIES

- 2 cups sifted flour
- 1 teaspoon baking powder
- ½ teaspoon salt
- ½ cup margarine or butter
- 1 egg, unbeaten
- 1 tablespoon milk
- 1 teaspoon vanilla
- 1 cup sugar

Measure flour, baking powder and salt into sifter. Cream butter or margarine and add sugar gradually, creamed well. Beat in egg, milk and vanilla. Sift the dry ingredients into the creamed mixture and blend well. Place in refrigerator to chill until firm. Roll out on well floured board to ⅛-inch thickness. Cut with fancy cookie cutters. Bake in 375-degree oven five to seven minutes. Remove to cookie racks to cool and then decorate with tinted frosting.

DECORATORS GLAZE

- 1 cup sifted confectioners sugar
- 3½ teaspoons water
- ¼ teaspoon vanilla

☆ ☆ ☆

Blend powdered sugar, water and vanilla. Add food coloring. Spread over cooled cookies. This is a very thin glaze and sets up fast. So don't dilly-dally as you work, frost the cookies and add the decorations quickly.

☆ ☆ ☆

THE NEXT recipes come from **Mrs. Dolores Healy** of San Francisco, and they are both delicious.

CHOCOLATE-ORANGE-MARMALADE BARS

- 1¼ cups sifted flour
- 1½ teaspoons double-acting baking powder
- ¼ teaspoon salt
- 6 tablespoons butter
- 2 eggs
- ½ cup granulated sugar
- 1½ tablespoons orange marmalade
- 1 tablespoon grated orange peel
- Orange juice
- 1 cup confectioners sugar
- Chocolate sprinklers

Sift togher, flour, baking powder and salt. Grease 8xfx2-inch pan. Start heating oven to 350 degrees. Beat in mixer, medium speed, butter then add granulated sugar. Beat until fluffy. Beat in eggs one at a time. Add the marmalade and grated orange peel. Now add the sifted dry ingredients alternately with ½ cup orange juice until well blended.

Turn into greased pan. Bake 35 to 40 minutes. Cool. Spread with confections sugar mixed with 2 tablespoons orange juice. Top with chocolate sprinkles. Cover with foil and store until ready to serve.

THIS RECIPE for refrigerator cookies has been a favorite at Dolores home for years and when you make and bake them I'm sure you will put the recipe in your permanent files.

REFRIGERATOR COOKIES

- 2 2-3 cup flour
- 1 teaspoon baking powder
- ½ teaspoon salt
- 2 cubes margarine
- 2-3 cup brown sugar
- 2-3 cup granulated sugar
- 1 large egg
- 1½ teaspoon vanilla
- 1 tsp. baking powder
- 2 cubes margarine
- ½ tsp. salt

Sift the dry ingredients together. Then cream the margarine and sugars. Add the unbeaten egg and the vanilla. Blend well. Add the dry ingredients and mix well. Shape in two rolls. Wrap in foil and store in refrigerator for several hours or overnight. With a sharp knife cut ⅛-inch slices and place on greased cookie sheet. Bake in 375-degree oven 8 to 10 minutes. You may decorate these cookies before you bake them with raisins, candied cherries, raisins, etc.

Symphony to Host Robert Casadesus

Robert Casadesus, well-known French pianist and first of the season's guest artists, will perform the Mozart Concerto for Piano and Orchestra in C Minor with the San Francisco Symphony Orchestra in three concerts this week.

The War Memorial Opera House performances will be at 8:30 p.m. today and Friday, and at 2 p.m. tomorrow.

The orchestra, under the baton of Josef Krips, also will perform Benjamin Britten's Sinfonia da Requiem as well as Shostakovich's Symphony No. 9.

USEFUL EXTRAS

Save the giblets, wing tips and neck from a chicken; cover with a couple of cups of water and a half teaspoon of salt; add some celery leaves, a slice of onion and a few sprigs of parsley. Cover and simmer until the giblets are tender. Chop the giblets and neck meat and use in a sandwich filling; strain the stock and use in a sauce.

MR. AND MRS. WILLIAM DUNLOP
(Photo by Pride and Joy Photography)

Kathryn Chapman of D.C. Is Bride of William Dunlop

Kathryn Irene Chapman, daughter of Mr. and Mrs. Clayton Chapman of Daly City, became the bride of William R. Dunlop recently in ceremonies at St. Anne's of the Sunset Church in San Fancisco.

The couple are making their first home in Daly City.

The bride, a graduate of Lincoln High School in San Francisco, wore a white satin gown with a long train. Seed pearls decorated the front of the dress and matched a veil that had a comb of pearls and crystals.

She carried a bouquet of white roses and stephanotis.

The groom is a graduate of Polytechnic High School of San Francisco.

Serving as bridesmaids were the bride's sister Susan Chapman and Dianne Elia. The maid of honor was Barbara Chapman, also a sister. They wore long dresses of deep blue satin.

The best man was Danny Shane. Ushers were Anton Roda and Jack Contreras.

The bride's mother wore a pastel blue suit.

The bride's grandfather and grandmother from Ashtabula, Ohio, Mr. and Mrs. Clint Ketcham were at the wedding and Mrs. Ketcham made a four-tiered cake for a reception in the Daly City home of the bride's parents.

The couple had a honeymoon in Lake Tahoe.

S.S.F. Moose to Host Yule Party

A Christmas party for children will be sponsored by Lodge 2064 of the Loyal Order of Moose in South San Francisco at 10 a.m. Saturday in the State Theater at Linden and Baden Avenues in South San Francisco.

Entertainment will include movie cartoons and a live stage show. Santa Claus will present each child with a Christmas stocking.

Tickets to the event are free and may be obtained from 10 merchants participating in the party. Additional information may be obtained by calling chairman Ken Boston at 588-5843 or co-chairman Elliott Cook at PL 6-4049.

New Year Party Set by Judea

The Sisterhood of Temple Judea will sponsor a New Year's party in the Fellowship Hall of the temple on Brotherhood Way on New Year's eve.

A midnight buffet supper, dancing to Pete Damonte and his orchestra, entertainment and favors will be featured at the affair.

Reservations may be made by calling Jackie Boyd at JU 9-4338 or Rhoda Kaplan at WY 2-2559.

Y-Wives to Hold Christmas Party

The Y-Wives of San Mateo County will hold their annual Christmas party tomorrow at 10 a.m., at St. Martin's Episcopal Church.

The party will include prizes, games and refreshments. The group will recess activities over the holidays and meetings will resume January 7.

Eleanor Roosevelt Estate Items Will Be Auctioned Off

Mrs. W. E. Becker of 257 Bellevue Avenue, Daly City, is the Daly City ticket chairman for a newly formed group, the Peninsula Committee for Good Government.

The committee will sponsor a drawing January 20 of personal effects from the estate of the late Eleanor Roosevelt. The drawing will be held at the Hyatt House in Burlingame.

Items to be auctioned include five books inscribed to Mrs. Roosevelt, an oil painting and a set of steel knitting needles encased in a red leather wallet.

A dollar contribution to the committee will enable the donor to participate in the drawing. Information may be obtained by calling Mrs. Becker at JU 5-3600.

Fuchsia Society Dinner Scheduled

The Pacifica Branch of the American Fuchsia Society will hold its annual Christmas dinner at 7 p.m. tomorrow in the banquet room of the Bayshore Bowl at 1 South Linden Avenue, South San Francisco.

Gifts, valued at not more than $1, will be exchanged. Members will be asked to contributed to a toys-for-tots drive.

Mrs. Marge Gentry of the Gentry Fuchsia Gardens at 412 Fremont Avenue, Pacifica, will offer an original skit portraying fuchsia culture. Officers for 1965 will be installed at the meeting.

'Leisure Morning' Planned by 'Y'

The YWCA will conduct a "Morning of Leisure" program at the Castle Lanes at 1750 Geneva Avenue every Monday from 9:30 a.m., to noon, beginning January 4.

Cost of the activities, which will include games like bridge, duplicate bridge, dominoes, yahtzee and scrabble, will cost 75 cents for YWCA members and one dollar for non-members.

Free baby-sitting, coffee and doughnuts will be included. Further information may be obtained by calling Marcia McGuirk at PL 6-8171 or the YWCA office in Daly City, PL 6-7370.

MR. AND MRS. HERMAN A. MADDOX

Newlyweds Will Live In Westlake

Virginia Edna Smith of 125 Coronado Avenue, Daly City, became Mrs. Herman Albert Maddox recently in ceremonies officiated by the Reverend H. Hansel Stembridge at the Westlake Community Baptist Church.

The groom is a five-year veteran in the Navy.

The bride, daughter of Mr. and Mrs. Robert E. Smith, wore a gown of white silk organza over white taffeta with seed pearls on bodice and skirt. The veil was a white Dior original rose with shoulder-length net.

She carried a bouquet of white fujii's and baby yellow roses.

Suzanne Siminger of Santa Monica was the bride's maid of honor. The best man was James N. Byrd of Winlock, Wash. Serving as ushers were James D. McGuire, a cousin of the bride and Michael Garvin of Berkeley.

Delta Phi Upsilon Sets Yule Meeting

The Daly City-San Bruno Association of Delta Phi Upsilon will hold its annual Christmas meeting today at the home of Mrs. Joan Anderson at 120 Mirada Drive, Daly City.

Members will exchange ideas for Christmas gifts and crafts.

Plans for a Founder's Day luncheon at Jack London Square in Oakland will be discussed.

Hyatt to Offer Celebrity Shows

The Hyatt Music Theater in Burlingame will offer a series of "celebrity shows in-the-round," starting December 29.

The series will include such stars as Louis Armstrong and Sarah Vaughan, Nancy Wilson, Ella Fitzgerald, Nelson Riddle and his orchestra, Tony Martin and Cyd Charisse and Pearl Bailey.

Beef standing rib roast served for this holiday is in the elegant tradition. Rosy apple - pear garnish with parsley provides a decorative seasonal motif.

A Roast Beef To Welcome Yule

When it's time to gather 'round the festive yuletide table, there's something very impressive about a beef standing rib roast. In many families, too, beef is the traditional favorite.

To have this roast at the exact degree of doneness, use a meat thermometer.

Beef Standing Rib Roast

2 to 3-rib beef standing rib roast
Salt and pepper

Have the market man remove chine bone to make carving easier. Season with salt and pepper. Place, fat side up, on rack in open roasting pan. Insert roast meat thermometer so the bulb reaches the center of the thickest part, being sure that the bulb does not rest in fat or on bone. Do not add water. Do not cover. Roast in a slow oven (325 degrees Fahrenheit) to the desired degree of doneness. Allow 23 to 25 minutes per pound for a rare roast; 27 to 30 minutes for medium; and 32 to 35 minutes for well-done. Serve with Rosy Apple-Pear Garnish.

Rosy Apple-Pear Garnish

1 cup chopped canned or cooked peeled apples
1-3 cup apple juice
1-3 cup cinnamon candies
¼ teaspoon ground ginger
2 teaspoons lemon juice
6 to 8 pear halves

Combine all ingredients except pear halves. Cook slowly, stirring occasionally, until thickened, 15 to 20 minutes. Fill pear halves with apple mixture. Bake in a slow oven (325 degrees Fahrenheit) 10 to 15 minutes.

3 People Developed Yule Seal

The familiar Christmas Seal that appears on letters and packages during the holiday season can be credited jointly to three different people: an American doctor, a Danish postal worker and an American Red Cross worker.

The first person, the American doctor, was Edward Livingston Trudeau. Dr. Trudeau contracted tuberculosis shortly after graduating from medical school. Both his brother and his daughter also had TB, so Dr. Trudeau decided to conduct research on the disease. This led to his establishment of a tuberculosis hospital at Saranac Lake, New York. And subsequently, when the National Tuberculosis Association was founded in 1904, Dr. Trudeau was the first president.

In the same year, Encyclopedia International reports, a Danish postal worker, Einar Holboell, came up with the thought that Christmas was a time when people should be reminded of their duty to help the sick and needy children who were suffering from TB.

He proposed to the King of Denmark that penny seals be sold, for affixing to Christmas packages and letters. The king agreed to the idea, and this led to the world's first Christmas seal in 1904.

Also at about the same time, a small TB hospital which had been built in Delaware by a group of doctors, was in trouble for lack of funds. A cousin of one of the hospital's doctors, Red Cross worker Miss Emily Bissell, came up with a solution. She had read a magazine article which described the development of the Christmas seal in Denmark. And she decided a similar seal should be adopted in the United States.

Miss Bissell designed the seal, and by 1907, the first American Christmas Seal went on sale in Wilmington, Dela.

A Holiday Main Dish You'll Like

An interesting main dish with which to start the holidays.

Creamstyle Tuna with Parsley Rice
Green Peas French Bread
Fruit and Cookies Beverage

CREAMSTYLE TUNA WITH PARSLEY RICE

¼ cup each butter and flour
½ teaspoon salt and ⅛ teaspoon white pepper
1¾ cups milk
2 cups grated cheddar cheese (8 ounces)
¼ cup dry white wine
2 cans (each 6½ or 7 ounces) chunk-style tuna, drained
Parsley Rice

Make a white sauce of the butter, flour, salt, pepper and milk. Remove from heat and stir in the cheese until melted. Stir in wine and tuna; heat gently; do not boil. Serve over Parsley Rice. Makes six servings.

Parsley Rice: Bring one cup rice, 2¼ cups water and one teaspoon salt to a boil in a covered saucepan; stir with a fork. Cook over low heat until almost tender—about 10 minutes; drain. Mix with three tablespoons butter, one cup chopped parsley, one finely chopped medium onion, ½-cup slivered almonds, ½-teaspoon garlic salt and one egg beaten with one cup milk. Turn into a 5- or 6-cup baking dish. Bake in a moderate (375 degrees) oven for 30 minutes; cover with foil and bake 15 minutes longer.

Spell out the magic of Christmas with nutmeg-flavored, gaily decorated cooky treats. They're indispensible as gifts, snacks, lunch time desserts or as a source of special joy.

Sparkling Cookies For the Holiday

Some of the special joy of Christmas can be traced to the kitchen! This wouldn't be the festive occasion it is without the fragrance of holiday cookies and breads or the happy hustle-bustle of getting them ready.

Some cookies are for Santa, of course! Others are for holiday nibbling and snacks, the quantity of which is probably without equal.

Set some cookies aside for carolers and tree trimmers. They're easily decorated with ready-made icings in tubes as well as colorful sugars and decorettes from your grocer's shelf.

Rolled Sugar Cookies

4 cups sifted enriched flour
2 teaspoons baking powder
¾ teaspoon salt
2 teaspoons nutmeg
1 cup lard
1¾ cups sugar
2 eggs, beaten
1 teaspoon vanilla
2 tablespoons milk

Sift together flour, baking powder, salt and nutmeg. Cream lard. Gradually add sugar and beat thoroughly. Add eggs and vanilla. Beat well. Add sifted ingredients and milk alternately to creamed mixture, blending well. Form dough into a ball and chill three to four hours. Roll out on a lightly floured pastry cloth to one-eighth inch thickness. Cut with assorted floured cookie cutters. Place on greased cookie sheets. Bake in a moderate oven (375 degrees Fahrenheit) seven to eight minutes. Yield: Approximately nine dozen medium-sized cookies.

Golden Honey In Fruit Cake

For a Christmas fruitcake of most, long-lasting flavor, and delicate, tender texture, try Glorious Honey Raisin Fruit-Cake.

Honey, plump raisins, crunchy nutmeats and succulent dates make this Christmas cake one that you can be proud to serve. Eyes will brighten and smiles will broaden when you pass the Honey Raisin Fruitcake around your holiday table.

Golden Honey absorbs and retains moisture, keeping your fruitcake oven-fresh throughout the holiday season. Slice and serve Honey Fruitcake on Christmas eve, Christmas day, New Year's day and on any day during Yuletide.

Glorious Honey Raisin Fruitcake

2 cups dark seedless raisins
2 cups golden seedless raisins
2 cups candied orange peel
1 cup citron
2 cups pitted dates
1 cup candied pineapple
1 cup candied cherries
1 cup chopped almonds or walnuts
1½ cups honey
1 cup soft shortening (half margarine or butter)
2 teaspoons grated orange peel
2 teaspoons grated lemon peel
6 eggs, well beaten
2½ cups sifted flour
1 teaspoon baking powder
1½ teaspoons salt
1 teaspoon ginger
1 teaspoon cinnamon

Plump raisins by running hot water over them in a sieve; drain well. Coarsely grate or cut orange peel and citron in thin pieces. Cut dates and pineapple in small pieces; halve cherries. Combine fruits, candied peels and nuts. Beat honey, shortening and grated orange and lemon peels together until creamy and well blended. Beat in eggs. Resift flour with baking powder, salt and spices. Add to honey mixture. Blend in fruit mixture until well distributed. Spoon batter into 2 well greased and floured 6½-cup ring molds(x). Bake in a slow oven (300 degrees F.) with shallow pan of hot water on bottom of oven, about 2 hours or until cakes test done. Let cakes stand in pans about 1 hour before turning out on wire rack to cool. Cakes may be brushed with honey slightly thinned with sherry or orange juice while still warm, if desired. Makes about 12 cups batter.

(x) Or use 2 (6½-cup) molds of other shapes, or 3 (8x4x2½-inch) foil loaf pans.

A Short Cut Dinner Idea

Getting ready for the holidays takes a lot of time! Need a short cut dinner idea? In saucepan, cook one-half cup chopped onion with one medium clove garlic, minced, in two tablespoons butter until onion is tender. Add two cans (one pound each) beans and ground beef in barbecue sauce, two tablespoons dry red wine (optional), and one-eighth teaspoon each chili powder and crushed oregano. Heat, stir now and then, and serve four to six.

PLASTIC "SKYDOMES"

CAMBRIDGE, Mass. — Residential skylighting goes all the way back to the cave dwellers and is now the latest in building fashions in the form of "skydomes" of Acrylite plastic, manufactured here.

Though the principle of lighting from above is the same, the new skylights, storm-proof and shatter-proof, afford more protection than cave man's hole-in-the-rocks.

Fun-Type Gifts Help To Celebrate

Gag gifts, good for family laughter, have their place under the Christmas tree just as much as luxury items.

Teen daughter never gets around to hanging up her clothes? Give her a set of plastic hangers, with an appropriate verse attached.

Father complains he can't remember names? Give him a paperback on 20 ways to a better memory.

Young daughter still bites her nails? There's a nasty-tasting nail polisher that will curb her appetite.

There's no end to the fun type of present that can be unearthed by rummaging around ten-cent stores, second-hand shops, even junk yards. And it all adds to the merriment.

Here are a few ideas:

For the student who struggles with math, an engineer's slide rule.

For the accident-prone car driver, a piece of damaged chromium.

For the corporation executive, a tall silk hat, second-hand.

For the jewelry-conscious miss, a collection of enormous cheap rings with glass settings.

For the serious artist, a child's coloring books and crayons.

For the mighty hunter, a beer can launcher, so he can target shoot at will.

For the adolescent film fan, a collection of photographs from the ten-cent store, framed or otherwise.

For the tired businessman, a single vitamin resting in a cotton-lined box.

You know best the eccentricities of your own family. Turn them into laughter with a zany present.

Novitiate Planned in Marin

THE NUNS at Holy Angels pray in the chapel of the convent at 20 Reiner Street in Colma. They are sacrificing the better part of a small stipend to purchase land in Marin County for a novitiate to train teaching nuns in California. The nuns belong to the Order of the Holy Infant Jesus with headquarters in Ireland. (Post-Times Photo)

They Seek to Fulfill a Dream

By RON BATES

FOURTEEN North County nuns are sacrificing the better part of their small monthly stipend to fulfill a dream — to establish a Catholic novitiate for training nuns as teachers.

The 14 are among a group of 23 nuns from Ireland who belong to the Congregation of the Sisters of the Holy Infant Jesus.

Seven of the sisters teach at Holy Angels School in Colma, another seven at St. Veronica's School in South San Francisco and the remainder at St. John the Baptist School in Healdsburg where the nuns first set up a teaching mission in 1950.

Among them they have been scrimping and saving to meet monthly payments of $800 for property in Marin County where they hope to build a novitiate.

The land, on a hill near San Anselmo, will cost the sisters approximately $110,000, Reverend Mother Consilia of Holy Angels explained.

THE NUNS MADE a down payment of $30,000, their savings over 10 years, and started the $800 monthly payments in January of 1961.

They said nothing at the time, explained one Holy Angel parishioner, because of their self-sacrificing nature and because they felt the parishioners already had a heavy load with donations to Mary's Help Hospital and the Archbishop's Fund.

The only organized help for the sisters has come from a San Francisco organization of Irish-born members, the Drishane Club, which holds an annual dance to raise funds for the proposed novitiate.

When some Holy Angel parishioners found out about the efforts of the nuns recently, they began organizing a ways and means committee to help the nuns with the monthly payments.

Information about helping the nuns may be obtained from Mr. and Mrs. Frank Murphy at WY 2-3718 or Mr. and Mrs. Albert M. Teglia at PL 5-1792.

THE NUNS WANT to build the novitiate in the Bay Area in order to accommodate students who want to enter the order, Sister Consilia explained.

At present, they have to travel to the Drishane Convent in County Cork, Ireland.

The Sisters of the Holy Infant of Jesus order was founded in Normandy, France, in 1662, by the Rev. Nicholas Barre to teach the children of the poor.

Gary Kroner Elected to Temple

Gary Kroner, a charter member of Congregation B'nai Israel and a Daly City resident for several years, has been chosen president of the congregation for the new year.

Kroner has been serving as the building fund campaign chairman.

His elected board of officers include Vice Presidents Fred Hoffman, Leon Benson and Irving Podolsky, Treasurer Dave Hoffman, Recording Secretary Mrs. Gary Kroner and Corresponding Secretary Mrs. Edgar Hart.

The board of trustees include Herbert Yamron, Morton Dobrow, Morris Krow, Paul Lichtman and Wolfgang Schlesinger.

The installation of new officers will take place in January.

The regular Friday evening service is planned at 8:30 at the 1575 Annie Street Temple in Colma. Rabbi Solomon A. Shore's sermon topic is entitled: "In Review of the Year, 1964."

Oneg Shabbath will follow the service with Joan LaPedis and Balla Fisher the hostesses for the evening.

JUHSD Bonds Are Purchased

Crocker-Citizens National Bank bid successfully Thursday for $850,000 in bonds issued for general school purposes by the Jefferson Union High School District in San Mateo County.

Purchased at a net interest cost to the district of 3.186 per cent, the bonds were reoffered to investors with coupons of 3 per cent to 5 per cent to yield 3.30 per cent in 1965 out to 3.20 per cent in 1979.

Lutherans Set Program For Sunday

The Sunday School Department of Westlake Lutheran Church will present a special Christmas program at 4 p.m. Sunday.

The nursery through eighth grade will present a drama entitled "We Interrupt This Program." It will be narrated by Carl Barnes and Ben Tetzner.

The program will include a solo by Elaine Laingen and a duet by Carolyn Love and Charla Garden.

The Christmas program committee includes Mrs. Dorothy Greenstrand, Mrs. Betty Langosch, Mrs. Marion Kraling, Mrs. Beatrice Thimis and Mrs. Betty Loftesness. Refreshments will be served by Mrs. Lucille Laingen, Mrs. Jan Rezzonico and Mrs. Mark.

New officers of the American Lutheran Church Women were installed last week. They were Mrs. Dorothy Greenstrand, president; Mrs. Carol Fox, vice president; Mrs. Lucille Laingen, secretary; Mrs. Dorothy La Chance, secretary of education, and Mrs. Ruth Hodgskiss, secretary of stewardship.

Mrs. Esther Howard and Mrs. Juanita Gilbertson were elected circle chairmen.

AND CHURCH ACTIVITIES OF DALY CITY, COLMA, PACIFICA AND SOUTH SAN FRANCISCO

New Convent Building Is Under Construction

Construction of a new convent to house the sisters of Mater Dolorosa School in South San Francisco, has started.

The convent will be a split level structure, including a chapel and accommodations for eight nuns. It will incorporate the latest trends in church architecture as approved by the Ecumenical council.

The building, to cost an estimated $107,000, was designed by Architect Tak Enimoto to carry out a California Spanish theme. It will be built of adobe brick to harmonize with the existing church, school and rectory.

The Sisters of St. Joseph of Newark staff Mater Dolorosa School, now in its third year with five grades. This year the order opened a congregational house in Los Angeles to prepare for formation of a province.

Our Redeemer Sets Service

A program of Christmas sung and spoken by children of the pre-school and primary grades will be held at Our Redeemer's Lutheran Church Sunday at 4 p.m.

A social reception for parents and students of Christmas cooking and baking will be served immediately after the program is finished. Mrs. Elmer Laursen is program chairman.

The tenth annual "Program of Christmas Music" will be presented Sunday at 7 p.m. by the four choirs of the Broadmoor Presbyterian Church.

Delmar Severy will direct the adult, youth and junior choirs and Dorothy Spratt, the cherub choir. Jack Harder will play the outdoor chimes and organ.

Soloists of the program will include Kay Mattson with "To Us a Child Is Born," Jean Amick with "I Wonder as I Wander," Nancy Dethlefsen with "Joseph Dearest" and Dorothy Spratt with "Come Thou Dear Redeemer."

A Christmas Eve carol candlelight service is planned Thursday, December 24 at 11 p.m. The Reverend Herbert Tweedie is pastor.

Top Tree-Trimmers

SANTA CLAUS presents a $25 check to Mrs. Marge McBride, representing the Christopher Columbus School P-TA, which won first prize in a Christmas tree decorating contest conducted at St. Francis Square Shopping Center. Looking on are four Christopher Columbus pupils who worked on the tree, from left, Cindy Jeffcoat, Cathy Jeffcoat, Randy Pettit and Barry Jeffcoat. The contest and a Christmas party was co-sponsored by St. Francis Square merchants and the St. Francis Heights Dance and Music Studio.

Boy Seized In Thefts

A 12-year-old Daly City youngster was charged yesterday with picking the locks of two business establishments and stealing a total of $29, according to police.

The thefts were reported by the Skyline Pet Hospital at 1020 Southgate Avenue, $25, and the St. Francis Square Veterinarian Clinic at 17 St. Francis Square, $4.

Conference Attended by Hal Gilmore

Harold M. Gilmore, assistant secretary and manager of Morris Plan's office in the Westlake Shopping Center, attended the company's threee-day annual managers conference in Santa Barbara.

Mrs. Gilmore accompanied her husband to the meeting held at the Santa Barbara Biltmore more than 100 Morris Plan executives and their wives attended the meeting. Morris Plan, with 44 offices throughout the state, holds a managers' conference each year to discuss a variety of subjects pertinent to the consumer credit field in California.

Gilmore, who joined Morris Plan in March, 1959, became manager of Morris Plan's Daly City Westlake office when it opened in November, 1962. He had previous experience in Morris Plan's offices in San Francisco and Oakland.

ST. FRANCIS SQUARE

Columbus School Wins Tree Event

A crowd of Yuletide partygoers, estimated at 2,500 children and adults, looked on approvingly Sunday while Christopher Columbus School was awarded first prize in a Christmas tree decorating contest held in St. Francis Square Shopping Center.

The contest and a Christmas party along with it were cosponsored by center merchants and by the St. Francis Heights Dance and Music Studio.

Mrs. Marge McBridge, representing the Christopher Columbus P-TA, accepted a $25 check, representing first prize in the tree-decorating contest.

It was presented by Santa Claus and Mrs. Gertrude Scanlon, director of the dance studio, who was chairman of the Christmas party.

Receiving runner-up awards were Mrs. Betty Turnely of the Abraham Lincoln P-TA, $10; Mrs. Lillian Del Carlo, M. Pauline Brown P-TA, $5, Mrs. Harriet Misterman, Daniel Webster P-TA $5, and Mrs. Pat Hanson, Thomas Edison P-TA, $5.

Judges were Mrs. Maria Von Ridelstein, Ray Radcliffe and Ted Smart, past presidents of the Society of Western Artists.

Santa Claus, known to confidants as Walter Misterman, gave out some 2,000 candy canes during the party.

Merchants, through the help of volunteer P-TA members, distributed 450 pounds of popcorn, 30 gallons of soda pop and 100 pounds of cookies.

A highlight of the program was the singing of Christmas carols by the Girls' Glee Club of Westmoor High School, directed by Howard Loeffler, and a choral group from Holy Angels School, directed by Mrs. Pat Campbell.

Four Officers Are Graduated

Four North County police officers have been awarded certificates of completion for the College of San Mateo's 200-hour law enforcement training course.

They are: Stanley Bennett, Thomas Dougherty, Ray Mason and Robert L. Walker Jr., of South San Francisco, and Robert Bowers of Daly City.

Cities Receive PG&E Payments

Pacific Telephone, the state's largest taxpayer, last week paid $1,711,689 to various San Mateo County and city treasuries.

This was the first installment on the company's ad valorem tax bill of $3,418,861 in the county for the 1964-65 fiscal year.

Daly City received $20,919, Pacifica $34,745, and South San Francisco $24,519.

It never touches a drop.

You couldn't put water in a Volkswagen if you wanted to. Or anti-freeze either.

The VW engine is cooled by air. It doesn't have a radiator. Or any of the usual radiator problems.

No hose to leak or clog or run up costly repair bills.

Nothing to overheat or boil over in hot weather. (You never see a VW cooling off by the side of the road.)

Nothing to freeze in cold weather. The money you save on anti-freeze is a dandy little dividend.

You get more dividends when it comes to gas and oil.

The VW averages 32 miles to the gallon of gas. Sometimes even more. Sometimes a little less. Depending on how you drive.

You can almost forget about oil. The VW rarely needs it between changes.

Tires go a long way, too. Common wear is 40,000 miles.

Maybe that's why so many people are going Volkswagen. It's not a car that spends your money like water.

1st College Police Bids Are Called

Daly City has called for applications for police openings and for the first time in the history of the police department, two years of college will be required. The requirement was approved earlier this year by the City Council.

The effect of the new requirement on existing personnel has been questioned by the city's personnel board.

The college requirement, for example, would penalize an officer's chances of being promoted to sergeant if he had entered the department before the two-year college requirement was put into effect, it was pointed out.

The board, therefore, recommended that the requirement be eliminated from the duty statement.

The board also discussed a rule stating that an employee must serve at least two years in a position to qualify for the next higher position it asked Police Chief Roland Petrocchi if the requirement should be raised to three years.

Petrocchi replied he had no objection but that after all the allotted positions in his department were filled, 58 per cent of the patrolmen would have less than two years experience.

The board decided to study the matter more thoroughly before recommending any more changes.

The closing date for filing applications for the police openings is January 4. Written and agility examinations will be held January 16.

S.S.F. Aide Is Retained

Carl E. Kirker, a South San Francisco civil engineer, has been retained by the county to do some preliminary engineering work at San Carlos Airport, recently purchased by the county.

The work is to consist of a boundary survey, research of title records and a topographic map.

Henry Tarratt, county director of general services, said the work is necessary for the improvement of the airport in accordance with the requirements of the Federal Aviation Agency. The FAA has agreed to pay more than half of the cost involved.

'HAMS' KEEP IN TOUCH

A 'Long' Conversation

From Guantanamo...

By RON BATES

AN HOUR-LONG telephone-like conversation two or three times a week between husband and wife could be considered somewhat out of the ordinary.

When it's carried on, however, over a span of 4,000 miles, it begs an explanation.

This is the situation John and Sharon Parris of Daly City have been in since August.

The couple converses regularly between Guantanamo, Cuba, where he is stationed as an electronics technician for the Navy, and Daly City, where she maintains the family home at 666 Skyline Drive.

They are radio hams—the vernacular for radio operators—and they carry on their conversation over short wave radio transmitters and receivers.

THE COUPLE began the long-range conversations in August when Parris was sent to the Navy base on a special one-year extension of his service hitch.

At the base he is responsible for electronic instruction in a fleet training group.

When he calls his wife from a radio on the base, it is generally 7 to 8 p.m. in Cuba and 3 to 4 p.m. in Daly City.

Mrs. Parris talks to him over a set that is about 90 per cent "home brew," a term used to describe equipment built by the user.

The Parris' home in Daly City is easily distinguishable by a tall antenna in their back yard.

An even taller antenna was the subject of heated debates at planning commission meetings earlier this year. A 55-foot mast had exceeded the city's height limitation of 36 feet.

The commission turned down a variance request and the couple, subsequently, had to take the antenna down.

The present antenna, however, appears to be doing the job well despite interference caused by a nearby transformer.

"HAMMING," Mrs. Parris recalled, had brought the couple together in the first place.

JOHN PARRIS of Daly City, a Navy electronics technician stationed in Guantanamo, Cuba, talks with his wife over his ham radio transmitter. The couple began their long-distance conversations in August.

She had met her husband while working in civil defense. He had been a ham for about five years then and she was just getting interested in amateur radio after going to a training school in South San Francisco.

"He liked that," she said. "He didn't have to teach me how to operate the equipment we use now."

The couple continued their work in civil defense and during a Pacifica flood in October, 1962, their radio was the only means of communication out of the city for a period of time.

For their efforts, they both received certificates of merit.

They also played a part in alerting defense officials during the Alaskan earthquake earlier this year.

THE COUPLE have been performing another public service by "phone-patching" calls from servicemen stationed throughout the world to their homes.

"Phone-patching" is a method in which contact is established between a telephone and two radios — a radio at the base and, in this case, the Parris' radio.

Mrs. Parris dials the telephone number of the party the serviceman is trying to reach and then plugs the phone into the radio.

In this way, the serviceman or his family is charged only for the call from Daly City—not from Guam, the Philippines, Guantanamo, a ship at sea or wherever the serviceman is calling from.

A regular user of the "phone-patch" is Parris' boss, Lt. Commander Arthur White, who has a son attending the University of California at Berkeley.

White, himself, is a radio ham, Mrs. Parris said.

WHAT DO the Parrises talk about over the 4,000-mile distance?

They discuss their three children, two of whom are boys, who are becoming interested themselves in amateur radio.

The radio messages, Mrs. Parris said, also save her husband from a case of writer's cramp. She explained:

"He uses the calls to answer all the questions I ask him in the letters I write regularly."

...To Daly City

IN DALY CITY, Mrs. John Parris keeps in touch with her husband in Guantanamo over the couple's ham radio set. The couple also use their radio equipment to relay messages from Guantanamo servicemen to points throughout the United States.

Pacifican Is Arraigned in Party Probe

A wild teen-aged drinking and sex orgy in a Linda Mar home came to light Thursday with the arraignment of a 61-year-old Pacifica father in Northern District Municipal Court in South San Francisco on a charge of contributing to the delinquency of a minor.

Arraigned was James Keola, of 783 Linda Mar Boulevard, where the wild party allegedly too place.

His 19-year-old daughter, the mother of two children, entered a guilty plea to a charge of purchasing liquor as a minor when she appeared the day previously. She was released on her own recognizance and her case was continued until January 19 for a probation report.

During the wild brawl, Pacifica Inspector Al Tebaldi reported, a 16-year-old girl allegedly had sexual relations with as many as 10 boys, while a 15-year-old girl had relations with at least three boys.

A week-long police investigation leading to charges of statutory rape against three youths and charges of leading a lewd and immoral life against five other young persons, began after Reserve Officers George Silverman and Harry McCune found a partially disrobed 15-year-old girl slumped against the side of an auto in the Linda Mar shopping center late Saturday night.

Although the girl at first said she had been raped by several youths, her story developed several discrepancies under questioning by a police matron.

As officers contacted others at the party, they said, the wild story began to unfold.

Under questioning during a week-long period, the youths said the party at Keola's home started out as a quiet social affair but soon developed into a wild sex and drinking affair as 20 teen-agers came and went during the evening.

According to Inspector Al Tebaldi, the girl, who first claimed to have been raped, was determined not only to have consented to the affairs but was implicated in the theft of a quantity of liquor from a Pacific Manor store before the party.

During the evening, officers said, the girl consented to go to a teen-aged parking space known as "The Lions Den" off Cabrillo Highway, where she had sexual relations with three boys. Later, officers said, the girl passed out after returning to the party and was taken to Linda Mar Beach, where several boys had relations with her a second time.

BRIGHT LIGHTS

by Lloyd Johnson

Louis Armstrong—Hyatt Theater New Year's Eve

Ed Sullivan, general manager of the **Burlingame Hyatt House,** has revealed his Holiday plans, as it was itemed he would in last Friday's **"Bright Lights."** What a program Mr. Sullivan has packaged for New Year's Eve! A festive dinner, ranging in price from $9.25 to $12.50 per person, will be served in the beautiful Scheherazade Room, where **Bob Wellman and his orchestra** will play for your dancing pleasure. This menu will also be featured in the Marquee Room, with **George Cerruti's Trio** providing the musical background for dancing. Besides this, the Backstage Bar in the **Hyatt Music Theater** will be open for cocktail service. The big surprise of the evening will be the entertainment of **Louis Armstrong** and **Sarah Vaughan** in the Hyatt Music Theater. There will be plenty of time after the evening's early show to have dinner and welcome in the New Year. **Johnny Kan's,** located on the upper level of the Hyatt House, also has plans for a gala party, with a special Cantonese dinner prepared by **Chef Choy.** Included in the celebration will be the Chinese Lion Dance and fireworks at midnight. For this evening, the Pasha Room has been annexed, where a name trio will entertain and play for dancing from 9 p.m. to 2 a.m. To cap this fun affair, why not plan to spend a super holiday weekend in one of the plush Hyatt House rooms! Have New Year's Day breakfast in bed and watch the Rose Bowl Parade and football games. This is living—and the price is right! Better make reservations NOW!

Ed Sullivan

TOOTS LAMAY, hefty singing comedienne, is back in San Francisco after a year in the East. She's an extra-added attraction to the strip-show at the **Chez Paree** . . . Handsome **Eddie Pru,** singer with the sensational **Satellites,** "swim" crew at the **Galaxie,** was featured on no less than five network TV shows in one year—Ed Sullivan, Dick Clark, Patti Page, Arthur Godfrey and "The Big Record." . . . **Nick Gust** should have a Mardi Gras at his **Nick's** and the **Turtle** restaurants in Pacifica, come New Year's Eve. At least three orchestras will be on hand, **Don Kelly** will preside at the organ bar, and popular **Mary Ann Hay** will belt out the songs. **Lorraine** and Nick have a big dinner planned for the occasion. A happy New Year's Eve is sure to be enjoyed by all . . . **Lew Lehr** hosted two international fencing champs at his **Marina** steakhouse, last week. Dining together sans sabres were **Michael Steininger** of Switzerland and **Hans Halberstadt** of San Francisco . . . **Lloyd Fox** continues to keep the **Surf House** patrons musically entertained during his Wednesday through Saturday organ sessions.

ERWIN BEST
Ben. Franklin Hotel

Erwin Best, general manager of the **Benjamin Franklin Hotel,** has a Holiday party announcement that will appear in **Bright Lights,** next Friday. This yearly party is a dandy and one you won't want to miss.

Safari Room Gaylord & Holiday

The intimate **Safari Room** in San Jose is a great stage setting for those wonderful entertainers, **Gaylord and Holiday,** who have long been top billed on the Nevada circuit. This talented duo perform several completely different shows and have fresh, entertaining material.

Scotty Campbell's Prime Rib Dinner Treat

Dined at **Scotty Campbell's,** last Sunday evening, and it was most delightful! The prime rib was so tender that I could cut it with a fork. New owners, **Teresa** and **Bud Urban,** along with **Herman Gittelson,** have maintained the same friendly Scotty staff and pleasant atmosphere. Oh yes, **Rosalie** is still the dining room favorite.

Tiny's Denker Donut Shop, located at 868 Ralston Avenue, next to the Post Office, Belmont, is now under new management. Tomorrow, Thursday, free coffee will be served from 12 midnight to 12 midnight. Donut and Coffee: Nine cents. Also, there is a 25 per cent discount on purchase of a dozen, or more, donuts to go. Call 593-9942. Open 24 hours a day.

Steamed clams have always been a delicacy favorite. My last Friday night table session of four dozen, or so, was at **Vince's Italian and Sea Food** restaurant. Seemed just about everyone else at the counter had the same idea.

Barry Ashton's Golden Casino Revue Big Hit

The **Golden Casino** in Reno is enjoying capacity audiences in its 500-seat Mardi Gras Theater-Restaurant, as visitors to Reno swarm in to see **Barry Ashton's** all-French revue, "Les Femmes de Paris," now playing its second edition by popular demand. "Les Femmes de Paris" is about as authentically French as it can possibly be outside of France itself. Leading French talent was especially imported for key roles in the show, the costumes are French to the last stitch, and the sets are authentic.

John Graziano Cuts the Wood

Ever wonder who cuts the huge logs for the **Brentwood Lodge** fireplace? It's **John "Paul Bunyan" Graziano,** co-owner of this spacious South San Francisco restaurant. Hear-tell John spent a few years in a logging camp during his youth and that he can top a tree with the best of 'em.

Be sure to try Canelloni, one of the delicacies of **Romano's** restaurant in Pacifica. People come from far and near to enjoy this delicious dish for which Romano's is famous.

Bus Travelers Visit Finocchio's

Finocchio's in San Francisco continues to draw crowds veritably by the bus-loads. Few night clubs are the destination of so many chartered buses, not only of San Francisco, but out-of-town party groups. These hail from as far away as Sacramento and San Jose, as well as Santa Rosa to the north.

Six kinds of the finest quality cheese is used to top **Me-n-Ed's** pizzas (Pacific Heights Plaza, San Bruno). Disc tip: Try the Diced Chicken Pizza—it's different and cause for seconds.

The **Service Bureau Corporation,** 50 strong, held a gala Holiday dinner party, last night, at **Phil Lehr's Steakery.**

JEAN DRECHSLER
Blue Peacock

"Experience is the greatest teacher" is proven once again in the instance of **Jean Drechsler,** new general manager of the **Blue Peacock** restaurant in Millbrae. Jean has made numerous changes here, including a new menu presentation which is one of the Peninsula's finest.

Specialty at the Redwood City **Southern,** where host-owners **Joe Bracco** and **Bill Doyle** preside, is "Chicken and Dumplings." If you think you've enjoyed this dish at its best before, wait until you try it at The Southern.

New Night Schedule for Barney's Casino

Barney's Casino schedule has been changed from 8 p.m. to 6:30 p.m.—includes a $6 cash refund. Starting point: **San Francisco Greyhound Depot.** This will give you plenty o ftime to enjoy "Entertainment the Nevada Way" at its best—"And that's no blarney!" sez **Barney.** The noonday schedule remains the same.

Buttermilk Biscuit Champ

Until a new champ comes along, lets crown **Keith Williamson of Keith's Chicken and Steak House** the "Buttermilk biscuit champion of the Bay Area." Munched on a few, piping hot with sage honey, after watching him prepare the dough. Incidentally, biscuits are served with chicken and steak orders.

In the SCHEHERAZADE ROOM, BOB WELLMAN'S fine orchestra will again present a great evening of entertainment welcoming the New Year. We will feature a special New Year's dinner ranging in price from $9.25 to $12.50. This same menu will be served in the MARQUEE ROOM where GEORGE CERRUTI'S TRIO has been augmented for New Year's Eve with a girl vocalist and drummer to bring you a very danceable and enjoyable combination of standards and new moderns. You'll enjoy welcoming the New Year in this beautiful new ballroom.
Once again in JOHNNY KANS Chef Choy has arranged a special Cantonese dinner. The celebration will be complete with the Chinese Lion Dance and fireworks at midnight. Those of you who enjoyed New Year's Eve at JOHNNY KANS last year will be happy to know that we have annexed the PASHA ROOM for that evening and will have a fine Trio for dancing from 9 to 2. Price per couple, $22.50.
The BACKSTAGE BAR in the HYATT MUSIC THEATRE will be open for cocktail service as usual. The THEATRE features LOUIS ARMSTRONG AND SARAH VAUGHN in a great evening of entertainment presenting these great stars in two shows. Could be a big Jam Session in the BACKSTAGE BAR after that special New Year's show. There's plenty of time after the early show to have dinner and welcome the New Year. We're going all out to make this a party to end all parties.
Why not make this a real Holiday Weekend, take in New Year's Eve, spend the evening in a delightful guest room, lounge through breakfast in bed, watch the Rose Bowl Parade and football games on TV. Call DI 2-7741 and ask for the Catering Office for reservations.

Sinaloa Posada Starts This Evening, Dec. 16

Luz Garcia announces: Wednesday evening, December 16, will mark the beginning of the **Sinaloa** Pinata-breaking ceremony, one of the most colorful events at Christmas time. The entire **Sinaloa** cast parades about the cantina carrying candles and singing Yuletime tunes of old Mexico. At the conclusion of the ceremony, the cast gathers on the dance floor for the breaking of the Pinata, which hangs from above and is full of Holiday goodies. When lowered, the customers are invited to participate in the breaking fun. A guest is blindfolded, given a stick, and the swinging begins. The Pinata is maneuvered about by a rope—making is difficult to break. However, at a given time a "hit" is made and the Sinaloa is showered with fruits, nuts and candies from the broken Pinata. A coupon good for a bottle of champagne is also among the gifts. The "breaking of the Pinata," which will be a nightly affair right up until Christmas, has been a Sinaloa tradition since the cantina opened many years ago.

She's Watching 'Bananas,' Too!

There seems to be another bunch of "bloomin' bananas" in the North County!

Mrs. Clark Natwick of 1108 Valencia Way, Pacifica, has joined Broadmoor's Mrs. Al Ickler on the banana watch.

Mrs. Natwick saw a recent Post-Times story about a banana plant ready to bear fruit in Mrs. Ickler's yard.

Like Mrs. Ickler, she purchased her plant four years ago. Only Mrs. Natwick's plant was purchased at a Palo Alto nursery instead of in Daly City.

Since then, the bloomin' thing on her front lawn has shot up so high that it is taller than a ranch style home.

"I was thrilled when I first noticed the blooms," Mrs. Natwick said.

If Compton's Encyclopedia is correct in its description of the banana growth process, banana splits will be the order of the day at both the Ickler and Natwick homes soon.

Pacifica Goal to Limit Growth

Pacifica planning commissioners Monday night formally submitted a policy memorandum to city councilmen asking that a maximum ultimate population be set for the city.

The action was taken after a discussion at a previous meeting in which planners agreed that a long range limitation should be set for the city to regulate population density. It is expected that the city's population will reach around 33,000 next year, and population projections from various agencies in the past have predicted that Pacifica will eventually have between 90,000 to 100,000 residents.

The planning commission agreed that a definite population maximum should be set, but decided that city councilmen should set the actual figure.

Commissioners also recommended that the council apply for federal funds under Act 701 to undertake a complete restudy of the city's long range general development plan. It was also requested that a log of all municipal reports be made available to the planning commission.

A deadline for submitting matters for commission consideration was changed from the noon of the third Friday before regular commission meetings to 5 p.m., the previous Thursday. A policy requiring specific information for all rezoning applications was adopted.

A tentaitve map for the new 266-lot Park Pacifica Highlands second unit was conditionally approved after commissioners eliminated 50 lots for a valley school site and another 20 lots for a hilltop school site.

In an informal study session with members of the Park, Beach, and Recreation Commission, members of both bodies agreed that communication between the two bodies should be improved and it was decided to exchange agendas. Mutual problems such as the needed turfing of school lands, best ways to improve park sites, and how to best utilize beaches were reviewed.

Apartment Plan Will Be Aired

The pros and cons of a 38-unit apartment building in the vicinity of the proposed Daly City Civic Center will be discussed by the Daly City Planning Commission when it meets at 8 p.m. Tuesday in City Hall.

Maurice Abend of Security Builders Incorporated is seeking an apartment zoning for four lots on the north side of 90th Street, west of Edgeworth Avenue.

Abend now owns an apartment building adjacent to the property where he hopes to build a new building.

The new Civic Center will be built between Edgeworth and Sullivan Avenues and 90th and 91st Streets.

The commission also will discuss three applications for signs at 6266 Mission Street, 2614 Geneva Avenue and 7339 Mission Street.

Also on the agenda is a variance request from Jack Warner of 138 Evergreen Avenue to increase a lot coverage from 50 to 55 per cent.

Christmas Festival Is Planned

A highlight of the Christmas season in Daly City will be the Department of Recreation's Annual Christmas Festival, to be held at the War Memorial Community Center tomorrow at 7:30 p.m. Admission is free.

The program will include selections by the Colma Intermediate School Band, under the direction of Byron Ogden and the Daly City Community Chorus, under the direction of Mrs. Patti Stolz.

The Daly City Teen Drama Group, under the direction of Dave Regal, will give a presentation of Charles Dickens' "Christmas Carol."

Boxes at the entrance to the center will be available for donation of canned goods to "Operation Santa Claus." The food will be distributed to needy families.

'Spectacular' Is Scheduled

A Christmas "spectacular" will highlight a Youth for Christ of Greater San Francisco rally at 7:30 p.m., Saturday in the War Memorial Auditorium in San Francisco's Civic Center.

Dave Grant, a recording artist, will present a program of selections from his latest album.

A pre-rally quiz at 7 p.m., will bring together teen-age teams from Westmoor, Terra Nova, and San Mateo High Schools.

S.S.F. Annex To CSM Is Hit by Snag

A snag in the proposed annexation of the South San Francisco Unified School District to the San Mateo Junior College District has been encountered. College President Dr. Julio Bortolazzo reported to the district's board of trustees last week.

It seems, Bortolazzo stated that South San Francisco can assume its share of the college district's bonded indebtedness only on the basis of bonds sold and delivered.

Unfortunately, he said, the college district has some $11,000,000 in unissued bonds.

Bortolazzo reported that he was apprised of the situation only a short time earlier by the district attorney's office and hadn't had time to delve into the situation.

He expressed confidence, however, that the problem can be worked out with further study.

In all other respects, however, the annexation proposal appeared highly satisfactory to the college board.

The South San Francisco School Board voted 4 to 1 last Monday to submit annexation to the college district to a vote by taxpayers in April.

Pupil Senate Is Formed at Ben Franklin

A student legislative body has been formed at Benjamin Franklin School and currently is reviewing the school constitution, responsibilities of the members of the governing body and school activities.

The group is known as the Student Senate. Senators were elected to the group from each homeroom.

Officers of the Senate are Steve Gilmore, president; Cathy Meade, vice president; Jan Karp, treasurer and Viv Goldman, secretary. Senators are:

Seventh grade: Harold Faulkner, Tina Herbert, Carl Alarcon, Eric Bogel, Laura Paciti, Connie Galisatus, Richard Giusti, Scott Alves, Paul Salsgiver, Peter Schmale, Steve Petillo, Sharon McMillian, Robert Caldwell, Steven Wohl, Paul Crim, Kathleen McCain, Karen Cook, James Teltke and Kathy Klemens.

Eighth grade: Ralph Hutchens, Mike Casey, Teresa Corcoran, Vicki Lorber, Philip Youngman, Marion Maxion, Donna Nyquist, Mike Lair, Pat Kelly, Ed Swanson, Mike Milon, Bill Brown, Evelyn LeBlanc, Joel Lesser, Andy Haberman and Paul Romer.

In addition, leaders of each student club and their faculty sponsors serve in an advisory capacity to the Senate. The Senate was formed under the supervision of Miss Lombardi.

J. C. Penney Gives Bonus

A special Christmas bonus to employees at the J. C. Penney Company store in the Westlake Shopping Center has been distributed.

Manager Don Davis said the payment was given to all regular and part-time associates employed on or before June 30 with the exception of the management staff.

"The special Christmas payment is one of many benefits available to Penney associates," he said. "It is offered as further testimony of the company's interest in the welfare of the people who contribute so much to our operation."

The payment was in addition to regular company provisions for sick benefits, medical insurance, non-contributory group life insurance, Penco Profit-Sharing Retirement Plan, discounts on purchases and others, Davis said.

Yule Plans Going 'Well'

Pacifica's annual Christmas basket program to help give needy families a merry holiday season is proceeding well, according to Lee Flaherty, secretary of the Welfare Referral Board.

She said money, donations and promises of donations are being received daily by a Christmas basket committee.

Donations will be accepted at Pacifica City Hall until 3 p.m. Friday. Anyone wishing to donate after that date can bring their gifts to Room 2 at Oceana High School until Tuesday.

Mrs. Flaherty said the baskets will be packed on Tuesday and delivered next Wednesday.

NOTE—In the above tabulation of the tides the daily tides are given in the order of the occurrence commencing with the early morning tide and the successive tides as they occur. On some days but three tides occur the fourth occurring the following morning.

The columns at heights give the elevation of each tide above or below the level of Coast Survey Chart surroundings. The numbers are always additive to the chart depths unless preceded by a minus sign or dash (-) when the numbers are subtracted from the depths given by the chart (U. S. Coast and Geodetic Survey).

"WHAT CHRISTMAS MEANS TO ME"

TODAY'S CONTEST WINNERS

VIVIAN KRAL
557 Hayne Rd.
Hillsborough, Calif.

Vivian is in the fifth grade at South Hillsborough School. She is 10 years old and has one sister age 1½, and three brothers ages 17, 14, and 4. She plays the violin and is a Girl Scout. Vivian writes: "Not only because Christ was born on Christmas are we happy, but it gives us a time to tell other people that they are not forgotten. It gives a feeling that someone has not forgotten you. The Christmas tree in the light gives me a feeling of the great star shining down on Bethlehem, and the three kings' gifts looking pretty in the hay."

JAMES L. PAGANO
1728 Roberta Drive
San Mateo, Calif.

James is in the fourth grade at Bayside School. He is 9 years old and has one brother age 7, and two sisters ages 8, and 3. He plays football, baseball and enjoys reading. He plays the violin and has a dog named "Skipper". James writes: "Christmas means to me that we go and worship. The stores are closed. We get gifts. We go to my Grandmother's home. We have a Christmas tree with white, blue, red and green bulbs. We have chicken spaghetti. It's much fun. We have no school for one week. I hope everyone gets toys. It was the birthday of Jesus Christ."

Terra Nova Topics

By LOUANN ANDRE

CAN A FAIRY tale come true? Yes! At Terra Nova, anyway. The other week was spirit week at Terra Nova, an annual event in the school's agenda. Cinderella wore her rags and went to the ball the same day. There were Little Bo Peeps look for their sheep, while three blind stumbled through the halls. Whoever may be your favorite character, he was here during Spirit Week.

Students of every class participated in the activities. On Crazy Day, each student wore crazy hats, socks, shirts or colors, depending on his class. A rally was held prior to the girls' football games. The winners were the junior and sophomore class team, each of which received 20 points toward a spirit plaque. Finally the students and teachers of the school assembled for the big rally where students yelled in competion and performed class skits to earn points.

The spirit plaque was awarded to the senior class during a varsity basketball game against the faculty. Congratulations, Seniors, keep up the good spirit.

"MISTLETOE MADNESS," the seniors' Christmas dance was held last week.

Who says teen-agers can't have their pictures-taken with Old Saint Nick? As an added attraction, Santa rode his sleigh directly from the North Pole to the senior Dance where he posed with students for Christmas pictures. by a new group called "The Chessmen" with Karen Shafer as their vocalist. Bernie and Beverly Purderer did a brother and sister guitar and vocal duet.

☆ ☆ ☆

ALL STUDENTS love assemblies! There are many reasons, but the most common are that students get out of class and almost everyone likes good entertainment.

An assembly will be held Friday that will fill the gym with the spirit of the Christmas season, a warm, friendly happiness which is shared by all during the holidays. A program with the school band and chorus, a faculty skit and maybe even a visit by Mr. Claus. It will mark the last day of school before the vacation.

Activities of Clubs Center Around Yule

General teen activities for the clubs sponsored by the Daly City Recreation Department will be centered around a holiday season theme.

The Imperial and Majestic Junior Teen Clubs have planned a Christmas Party and Dance for their Friday night activities at the War Memorial Community Center and Lincoln Park Clubhouse locations, respectively.

The Majestics' plans include caroling in the neighborhood and gift exchanges.

The Know Names Junior Teen Club has planned a bowling and barbeque outing Saturday for members and guests. Bowling will start at the Westlake Bowl at 4:15 p.m. with the barbeque and dance beginning at 6:45 p.m. at the Westlake Park Clubhouse. Cost is $1.25.

Both senior teen clubs sponsored by the department have events scheduled for Saturday.

The Hi Fi Teen Club will go to an ice hockey game at the Cow Palace. A special bus will leave the War Memorial Community Center at 7:15 p.m.

The Ticky Tacky Teen Club Dance at Westmoor from 8:30 to 11:30 p.m. Featured on the evening's program will be dancing to the music of "The Cult."

The Casualiers and Roof Raiser Junior Teen Clubs have planned a joint Christmas party and dance Tuesday at the M. Pauline Brown School from 7 to 9:30 p.m. The "Downbeats" will provide music.

The Bovines also will hold their Christmas dance at Bayshore School.

In addition to the price of admission, all of the clubs are collecting a can of food from each member attending as their part of the canned food phase of "Operation Santa Claus."

8 Teens Help Pacifica Class

The newly formed Leadership Club sponsored by the Pacifica Park, Beach and Recreation Department provided eight teenage instructors for a six-week puppet workshop for children at the Oddstad Recreation Center, held Saturdays.

The teen-agers, Virginia Chester, Pamela Yurko, Sue Mathews, Patrick Overton, Richard Garza, Dennis McFarland and Janice Schofield, provided recreation activities for at least 53 children during the six-week period.

French Teacher Attends Meet

French teacher Miss Tova Duncan of South San Francisco, soon will be on her way to Philadelphia to attend a workshop at the Center for Curriculum Development in Audio-Visual Language Teaching.

Miss Duncan will be using the materials for the "Saint Clud" Method, Voix et Image, in her classroom upon her return to El Camino.

Cookies on the Way

PREPARING gaily wrapped Christmas delicacies for a cookie sale are these members of theWestlake Catholic Women's group, left to right: Mrs. Edward Cassilagio, Mrs. William Coen (holding her son, Marty) and Mrs. Alfred Sontag. The sale will be conducted by the women's group after all morning masses Sunday in the parish hall of Our Lady of Mercy Church. Among the sale items will be homemade cookies and candies.

Lions Club to Hold Contest

Student speakers at Westmoor and Jefferson High Schools are beginning practice on speeches that may put them into competition for a $1,500 college scholarship.

The scholarship is the top prize in the annual speech contest sponsored by Lions Club International. The Daly City-Colma chapter will sponsor the first stage of the contest in February.

The contest has been held yearly since 1937 and thousands of students have participated.

Speech coaches Rudie Tretten of Jefferson and Mrs. Violet Evans of Westmoor will select two speakers each for the contest.

The successful speaker at the club level will then go on to a regional and possibly district, area and final contests. Each winner at the district level receives a $500 scholarship.

Yule Spirit Prevails at Westmoor

Christmas-spirited Westmoor High School students are now collecting clothing, canned goods and repairable toys to help the needy and less fortunate.

With the added incentive of class competition, the students have until Friday to add to the mounting piles.

The clothing will be turned over to Goodwill Industries, which has given Westmoor High School the "Good Willie" award for two consecutive years.

The Daly City Fire Department will receive the canned goods to distribute in the city's annual "Operation Santa Claus" drive.
